

Young Voices Concert

On Monday 23rd May, some of the Year 5 children travelled to the O2 Arena to take part in the Young Voices concert. The children have been rehearsing hard since October last year and despite the delay in the Young Voices concert due to COVID-19, the children continued to show their determination and dedication to the choir all the way through. Their hard work was rewarded and paid off when they were able to perform at the O2 in front of thousands of audience members. The children were swept away with the electric atmosphere at the O2, showcasing their dance moves to the best of their ability and singing at the top of their lungs. It is fair to say, everyone that attended the choir had the best time and thoroughly enjoyed the entire concert.

Before half term, the Year 5 children submitted entries to Hayes End Library for their Stop Racism Poetry Competition. The children were asked to put into words how we could all come together and create a solution to the racism that exists within our global community. The children composed thought-provoking poems which portrayed excellent ideas of unity and support. To the school's delight, half of the winners from the competition were selected from our school! As a result, the children were presented with prizes at school. Congratulations to the winners on your well-articulated poems and well done to everyone who entered the competition. The library had commented on the high standard of all the entries that were submitted.
