Year 3 After School Club

In a bid to add new skills to their repertoire, last week, the Year 3 children took part in various After School Club activities which enabled them to express their creative flair. One group made their own hedgehogs out of clay whilst the others practised their sketching on the iPads. The children thoroughly enjoyed these activities and being able to practise their artistic skills.

Walk to School Week

Monday 16th to Friday 20th May will be Walk to School Week, when children, families and community leaders participate in a global event to promote healthier habits and encourage a more walkable world. It is a great opportunity for children to join hundreds of thousands of pupils across the globe celebrating the walk to school.

We would like to encourage all families to take a look at the walk zone map on our website via (http://upload.reactcdn.co.uk/rosedale_primary/uploads/document/2_148_rosedale-a4-web-map.pdf). You will find two zones: a five-minute walking zone and a ten-minute walking zone. We would like as many families as possible who live within these zones to consider travelling to school either by walking, bike or even scooter in an attempt to clean up the School air, not only for our environment but also our health. If you live outside these zones and travel to school by car but would like to move towards more sustainable travel, why not consider parking within the ten-minute zone and walk the rest of the way? This is called 'Park and Stride'. Not only will this have a positive effect on our environment but it will also help to reduce congestion levels around the School which in turn improves road safety around the School. Let's get involved!

Year 2 SATs Week

From **Monday 16th to Friday 20th May**, the Year 2 children will sit their SATs tests in school. It is absolutely essential that your child is in school and on time for the whole week.

Please make sure that your child has had a good and full breakfast during the week as the children will need all their energy in order to do their best during the tests. Your child should also come to school with a labelled water bottle. Thank you.

Army Team Building - Year 6

On **Tuesday 17th May**, the Year 6 children will be taking part in an Army Team Building exercise. This promises to be an exciting and unique opportunity for the children as well as some relief from their SATs examinations. Please ensure that your child is in school on this day wearing their Physical Education (PE) Kit. Thank you.

Queen's Jubilee Party

On **Friday 20th May**, we will be celebrating the Queen's Platinum Jubilee by hosting our very own party for the children to take part in. All the children are invited to come in wearing their party clothes for the day. There will be various Jubilee related activities taking place throughout the day for the children to enjoy, and they will receive a goody bag with a small gift to remember the day by.

Please provide your child with a packed lunch and water bottle as no hot food will be served on this day.

We kindly ask that children do not attend school wearing jeans, high heels or trainers on this day.

We look forward to celebrating this momentous occasion within the School and hope the children are as excited as we are!

Young Voices - Monday 23rd May

On **Monday 23rd May**, children who have been taking part in the Young Voices Choir rehearsals will be attending the Young Voices concert on Monday 23rd May at the O2 arena.

If your child is taking part in the concert, please ensure that they are in school on time, wearing their correct uniform along with their water bottle and food for the day. Thank you.

Tube Station Points

The children have been demonstrating the 6Rs at school and as a result, have increased their tube station points! Follow the link to see how many points your child's tube station has received so far (<https://bit.ly/3JOSkaM>).
