Year 4 Pedestrian Training

On Monday 25th April, the Year 4 children took part in Pedestrian Training delivered by the STARs team. The children were spilt into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practice all they had learnt. It was an invaluable experience for the children as they witnessed some of the hazards first-hand and felt confident in knowing what they needed to do to keep safe.

We hope that by taking part in the Pedestrian Training, this will encourage more children to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

Recycle, Re-Use - School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved school uniform in order to reduce our carbon footprint. This is a great opportunity for our school to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's school to support our campaign for green initiatives whilst helping our families in need of support. For further details, please visit (https://www.rosedaleprimary.co.uk/176/re-cycle-and-re-use-uniform). Thank you for your continued support.
