

Pi Day

On Monday 14th March, the children celebrated Pi Day. They engaged in various activities that enhanced their understanding of pi and its symbol which is used in Mathematics to represent a constant. The implementation of pi in the children's lessons embedded their learning about pi, strengthening the Mathematics culture at Rosedale Primary School and paved the way for our budding scientists, engineers and designers.

Sustrans Big Walk and Wheel -

Monday 21st March to Friday 1st April

As a school, we are continuing to promote and support road safety and sustainable travel. As part of this, we are taking part in the Sustrans Big Walk and Wheel from **Monday 21st March to Friday 1st April**. During this time, we would like to encourage as many children as possible to walk, scoot, bike or cycle to school. Even if you live a bit further away from school, please consider using our walking map to park in one of the 10 minute zones and travel sustainably for the remaining 10 minutes.

The School will work together as whole to have as many children as possible travelling sustainably which could result in us winning prizes for the School and also compare ourselves with other schools in the borough and the rest of the country!

This is an exciting opportunity for our school community which will have a lasting positive impact! We would like to thank you all in advance for your support in this event.
