

Pancake Day

On Tuesday 1st March, the Nursery children braced themselves for an indulgent day preparing a decadent dessert for Pancake Day. The children learnt about the preparation process, mixing together the eggs, flour and milk in order to produce the perfect pancake batter, before cooking. They then explored grand garnishes for presentation, with a variety of toppings for the children to choose from that would expand their culinary creativity and enhance the sweetness of their dessert.

Incredible Eggs - Monday 14th March

On **Monday 14th March**, we will be receiving an egg-citing delivery for the Reception and Nursery children, just in time for their return to school! The children will have the opportunity to watch ducklings hatch, learn how to care for them, understand their life cycle and watch them grow.

Keeping our Community Safe

As a school, we have an ongoing commitment to making sure all of our children are kept safe in and out of school. With this in mind, we would like to ensure that all our children are aware of the importance of not speaking to or approaching anyone that is unknown to them. Therefore, when collecting and dropping your children off, as it is often a busy time and the site and surrounding areas become crowded, please ensure you have your child in sight at all times. If your child is in Year 6 and travels to school independently, you may wish to provide them with a mobile phone for reasons of personal safety. It is the policy of the School for all pupils to hand their mobile phones in to the School Office upon arrival where it will be securely stored until the end of the day when they must be collected by the pupils.

Children's safety will always continue to be one of our top priorities and we thank everyone for their continued support in making sure that everyone within the School community is kept safe.

Reading for Pleasure - Active Learn

As a school, we continue to promote a positive relationship with reading as reading gives the children the ability to access their learning. We aim for children to find enjoyment in reading and, encourage them to read for pleasure. With this in mind, we continue to use Active Learn where the teachers regularly allocate books for each child to read. We would like all parents, guardians and carers to support their children and the School in our goal for every child to read for pleasure. Therefore, please do make sure that your child is accessing Active Learn at home and reading any books allocated to them as this is a fun and interactive way for children to access reading. If you are experiencing any problems with Active Learn, please contact the School Office.

Absence Reporting

In the event of your child being unable to attend school due to illness, medical appointments or under any other circumstances, please contact the School Office on 020 8573 7103 or at rosedaleprimary@trhat.org. In order for the School to ensure that all pupils are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The School is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to school. Thank you.

	Week Commencing: Monday 7th March

Use of Social Media

Parents, guardians and carers are reminded that children must be 13 years of age in order to have a Facebook, Twitter, Instagram or Snapchat account, and 16 years of age to use WhatsApp. You can find more information on age restrictions from The Safer Internet Guide at (<https://www.saferinternet.org.uk/blog/age-restrictions-social-media-services>).

In light of the current circumstances, there may be an increase in children wanting to access social media and to communicate with others online, and we ask parents, guardians and carers to closely monitor this to prevent risks and help keep their children safe.
