

## Tudor Toys Workshop

On Wednesday 2nd February, the Year 5 children took part in a Tudor Toys Workshop which saw them make a woodpecker toy that moved down a thin pole. The children learnt about different aspects of Science, Technology, Engineering and Mathematics (STEM) in order to create these toys. They all thoroughly enjoyed making their beautifully coloured individual woodpeckers and were very excited to present their hard work to all their friends, parents, guardians and carers!

## Pedestrian Training

On Monday 7th February, the Nursery, Reception and Year 1 children took part in Pedestrian Training delivered by the STARS team. The children were split into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children put into practice all they had learnt on the model road inside the School hall. We hope that by taking part in the Pedestrian Training, this will encourage more children to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

## Valentine's Cookies

On Thursday 10th February, in celebration of Valentine's Day, the nursery children put into practice their baking skills and made some heart-shaped cookies! The children identified the ingredients that were required to make the biscuits, before mixing them together to produce their dough. Using a heart-shaped cutter whilst enhancing their fine motor skills, they cut the dough carefully before baking the shapes in the oven. Once the cookies had cooled down with the sweet aroma permeating the room, the children showcased their artistic prowess by embellishing their cookies with various toppings.

## Booster Morning

On Monday 14th February, the children were invited to take part in an English and Mathematics booster morning. They took part in various fun and engaging activities which further supported their embedded learning.

## Changes to Self-Isolation

On Thursday 24th February, the government removed the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received two negative test results on consecutive days. For further information about the changes to self-isolation and the daily testing of close contacts, please visit (<https://www.rosedaleprimary.co.uk/135/coronavirus-advice-and-guidance>).

## Virtual Asthma Workshop

On Monday 28th February, the NHS Team would like to invite parents, guardians and carers to sign up for an online Asthma workshop. This session will run from 4:00 to 5:00pm and is designed to help you understand what to do if your child is having an Asthma attack, providing inhaler techniques and highlighting common triggers. For further information, please contact the MyHealth team on **01895 543 437** or at [nhsnwlcg.myhealth@nhs.net](mailto:nhsnwlcg.myhealth@nhs.net). To register your free place, please visit (<https://trhat.co.uk/asthma-workshop22/>).

# CHILDHOOD ASTHMA

Join our **FREE Virtual Asthma Workshop**

## Healthy Packed Lunches

We would like to thank all our families who continue to provide their children with a healthy and nutritious packed lunch. Please be reminded that we are a healthy eating school and that the following items are not permitted in packed lunches:

- Nuts
- Chocolate/Chocolate Biscuits, Sweets or Doughnuts
- Large Packet of Crisps
- Fizzy Drinks

Thank you for your continued support.
