

Bikeability

From Monday 27th to Thursday 30th September, a group of Year 6 children had a real sense of excited achievement as they completed their Bikeability course – a bike-training scheme provided by the London Borough of Hillingdon. Despite the challenging weather conditions, they began their training by learning some basic road safety skills before riding on the roads under strict supervision, around Hayes. At the end of the week, the instructors commented on the excellent behaviour of all the children who attended the course and the progress they all made. Congratulations to all the children who took part!

Applying for Secondary School September 2022

We would like to inform all parents, guardians and carers of children born between 1st September 2010 and 31st August 2011 that the closing date for applications for Secondary School places to be received by the London Borough of Hillingdon, by post or online, is **Sunday 31st October 2021**. To ensure your application arrives on time and in order to give your child the best possible chance of being offered the school of your choice, we would advise that you submit your applications no later than Friday 22nd October to ensure that it is received by the published deadline. You can apply for your child's secondary school at [\[https://archive.hillingdon.gov.uk/secondary\]](https://archive.hillingdon.gov.uk/secondary).

Absence Reporting

In the event of your child being unable to attend school due to illness, medical appointments or under any other circumstances, please contact the School Office on 020 8573 7103 or at rosedaleprimary@trhat.org. In order for the School to ensure that all pupils are properly safeguarded, it is important for you to follow this procedure for every day your child is absent. The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The School is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to school. Thank you.

Parent Parking Pledge

As a school, we are promoting safe and sustainable travel to and from school. With this in mind, we have been looking at ways that we can achieve this and work together with the local community and families. One of the ways we are hoping to achieve this is by asking parents, guardians and carers to sign up for the Parent Parking Pledge. During peak travel times, congestion and parking have continued to be a problem. The parking pledge promotes consideration of others, road safety and reduction of idling; it would also include the willingness to engage in active travel. This would mean trying to travel to school by foot, bike or scooter around once a week. If families sign up for the parking pledge, you will be able to display the parking pledge sticker in your window, showing your commitment to helping us achieve our goal of safe and sustainable travel. To sign up for the pledge and for more information, please visit [\[https://trhat.co.uk/roadsafetyparking-rp/\]](https://trhat.co.uk/roadsafetyparking-rp/). Thank you.
