

Year 4 Stained Glass Windows

Before Half Term, the Year 4 children created some beautiful stained glass windows as part of their Art and Design lesson. The children learnt about architecture and art of the Christian Faith. They got creative using various materials including black card and coloured cellophane to make their masterpieces. Well done to all the children for their vivid artwork. Your designs are visually stunning!

Year 5 Romeo and Juliet

The Year 5 children took part in a dramatization of Romeo and Juliet before Half Term. This was done to broaden the children's knowledge of Old English which was a unit of study for this Half Term. Students were enthused and excited as they got a chance to showcase their drama skills and connect with the English language content they are learning. We would like to say thank you to the children's families who supported their children in memorising their lines and made props and costumes to enhance their performance. The children thoroughly enjoyed the experience of performing one of Shakespeare's most iconic plays!

Earth Day Poem Competition

We would like to congratulate all the children who took part in the Earth Day Poem Competition run by our Year 6 School Council Leaders. All the poems and artwork that were submitted were fantastically creative and made for exceptional reading.

It is wonderful to see that all of our children wholly understand the impact Climate Change is having on our planet and how we can all do our little bit to help.

The Year 6 School Council Leaders enjoyed reading all the poems and found it difficult to choose one poem from each year group. However, after much deliberation, they managed to successfully pick their winners!

Congratulations to the following children: Leart, Safia, Niko, Hanna, Adam, Abhimanyu, Emilia and Azalfa!

Over the next few weeks, we will be publishing the winning poems and artwork in the School news for you all to enjoy. Once again, congratulations to our winners and all the children who took part!
