Eid Cards

In celebration of Eid, the Nursery children created their very own Eid Cards to send to their family and friends, demonstrating their creative flair with different paints whilst developing their writing skills. Rosedale Primary would like to wish all of our families a very Eid Mubarak!

Year 3 and 4 Drama Lesson

Much to the delight of the Year 3 and 4 children, Drama lessons have now recommenced! The Drama teacher from Rosedale College has been visiting the children to provide them with fun and engaging lessons which encourage their confidence, imagination and public speaking as well as performance skills.

The children having been working together enthusiastically to create stories starting with 2 words and building on them further, before accompanying these stories with various actions. All the children have been so excited to take part in these lessons once again and it has been such a joy to see the smiles on their faces as they focus on their learning.

Walk to School Week - Monday 17th to Friday 21st May

With Walk to School Week fast approaching, as a school, we aim to continue to promote sustainable travel to school so as to improve the safety around the School, reduce air pollution and of course, to keep ourselves active and healthy!

With this in mind, we would like to encourage as many of you as possible to either walk, scoot, bike or use public transport to travel to school next week. We appreciate that it isn't always possible for everyone to use these modes of transport and that travelling by car may be your only option. However, if this is the case, we would like for you to consider parking further away from the School and walking the final 5 to 10 minutes where possible.

We have uploaded a Walking Map on the School website which shows a variety of 5 to 10 minute walking options to school. This can be accessed under 'Road Safety and Sustainable Travel' or by clicking on: http://upload.reactcdn.co.uk/rosedale_primary/uploads/document/2_148_rosedale-a4-web-map.pdf.

Even walking just 5 minute provides an active start to the day, ensuring children are ready and raring to go in school. We hope that everyone will help to support Walk to School Week and help to promote a safe and active school environment!

Preventing Germs - Good Hygiene

Following the advice given by the World Health Organisation (WHO), it is imperative that you follow these basic protective measures against coronavirus:

- Washing your hands frequently
- Maintaining social distancing
- Avoid touching eyes, nose and mouth
- Practise respiratory hygiene

You must also follow the advice given by your healthcare provider, your national and local public health authority or your employer on how to protect yourself from COVID-19.
