

Online Junior Citizens Event

On Tuesday 4th May, the Year 6 children took part in the Online Junior Citizens Event. In previous years, the children had the opportunity to visit Brunel University and take part in various activities promoting safety, particularly around travelling to and from school. Although the children were not able to physically attend the workshops at Brunel on this occasion, they were still able to take part in all the same activities and learnt the same valuable life lessons on travel safety, which is particularly useful as they begin to move on to the next stage of their lives. All the children found the workshops engaging and informative, and enthusiastically took part in all the activities!

No Idling - Engine off Every Stop

We have noticed that many vehicles' engines are left on in the morning whilst parked or stationary for a period of time as children are dropped off to school, with parents, guardians and carers either sitting and waiting or taking a phone call.

As a school, we promote safe and sustainable travel for not only our school community but also for the local residents. As such, we kindly ask that when your vehicle is stationary, your engine is turned off. This will ensure that the air around the School is cleaner and safer for all, and in particular, for those who suffer with respiratory conditions. This will also create a positive environmental impact in the long run. Thank you for your cooperation in this matter.

Coming Soon...Rosedale Primary YouTube Channel

Over the Easter break, we have been working on setting up a YouTube channel for Rosedale Primary School so we can share all the fabulous things that have happened in the School over the past couple of months. The videos are still in the production stages so we will share the links very soon with you all.

Watch this space!

Online Safety

Online Safety is an important part of keeping children safe at Rosedale Primary. In an ever-changing world, ensuring pupils' safety online has never been more important. As we continue to promote positive use of technology to ensure the safety of all our pupils, we kindly advise all parents, guardians and carers to educate their children on the importance of making positive and informed choices whilst online. Please ensure you are maintaining open and regular conversations with your child about what they are doing online and who they are interacting with. Please visit (<https://nationalonlinesafety.com/training>) where you will have access to a number of safety guides for the appropriate use of social media platforms such as TikTok and Instagram, video conferencing software such as Microsoft Teams, and popular gaming consoles.

Reading for Pleasure - Active Learn

As a school, we continue to promote a positive relationship with reading as reading gives the children the ability to access their learning. We aim for children to find enjoyment in reading and, encourage them to read for pleasure. With this in mind, we continue to use Active Learn where the teachers regularly allocate books for each child to read. We would like all parents, guardians and carers to support their children and the School in our goal for every child to read for pleasure. Therefore, please do make sure that your child is accessing Active Learn at home and reading any books allocated to them as this is a fun and interactive way for children to access reading. If you are experiencing any problems with Active Learn, please contact the School Office.

Use of Social Media

Parents, guardians and carers are reminded that children must be 13 years of age in order to have a Facebook, Twitter, Instagram or Snapchat account, and 16 years of age to use WhatsApp. You can find more information on age restrictions from The Safer Internet Guide at (<https://www.saferinternet.org.uk/blog/age-restrictions-social-media-services>).

In light of the current circumstances, there may be an increase in children wanting to access social media and to communicate with others online, and we ask parents, guardians and carers to closely monitor this to prevent risks and help keep their children safe.

Social Distancing

We would kindly like to remind everyone to adhere to social distancing guidelines and remain 2 metres apart when you are collecting and dropping of your children. Thank you.

	Week Commencing: Monday 10th May
