National Skipping Day

On Friday 23rd April, some of the Year 4 children took part in a skipping lesson with Mrs Bamber as part of National Skipping Day. The aim was to teach the children to skip! Some of the children were experienced skippers which enabled them, along with the help of Mrs Bamber, to help those who hadn't yet learnt. With lots of determination and practise, all the children were able to do at least a few skips in a row!

Skipping is a fun way for children to get moving and stay active outdoors and can also be an excellent way to socialise with others and get active together. All the children enjoyed taking part and learnt another skill!

Bank Holiday - Monday 3rd May

Please note, **Monday 3rd May** is a bank holiday, therefore, Rosedale Primary will be closed and will resume on Tuesday 4th May at the normal time.

School Uniform

All children within our School Community are expected to wear the full and correct school uniform whilst attending school. This helps to demonstrate a sense of belonging, inclusion and ensure that no one stands out. It has been brought to our attention that a number of children are not in possession of the full or correct school uniform. You can find the uniform requirements on our website by following this link: (<http://www.rosedaleprimary.co.uk/113/uniform-requirements>). Please can you make sure that any missing items of uniform are purchased through your child's IPayimpact account. Thank you.

Parent Parking Pledge

As a school, we are promoting safe and sustainable travel to and from school. With this in mind, we have been looking at ways that we can achieve this and work together with the local community and families. One of the ways we are hoping to achieve this is by asking parents, guardians and carers to sign up for the Parent Parking Pledge. During peak travel times, congestion and parking have continued to be a problem. The parking pledge promotes consideration of others, road safety and reduction of idling; it would also include the willingness to engage in active travel. This would mean trying to travel to school by foot, bike or scooter around once a week. If families sign up for the parking pledge, you will be able to display the parking pledge sticker in your window, showing your commitment to helping us achieve our goal of safe and sustainable travel. To sign up for the pledge and for more information, please visit (<https://trhat.co.uk/roadsafetyparking-pp/>) Thank you.

Social Distancing

We would kindly like to remind everyone to adhere to social distancing guidelines and remain 2 metres apart when you are collecting and dropping of your children. Thank you.

 <h3>MAY to JUNE 2021</h3>	
MAY	
Monday 3rd	Bank Holiday - School Closed
Monday 17th to Friday 21st	Walk to School Week
Friday 28th	End of Half Term - Staggered Dismissal time

Keeping Our Community Safe

We would like to say thank you to everyone for driving and parking safely when dropping off and picking your children up from school. We would ask, that where possible, please avoid making any U-turns outside the front of the School. This is to minimise and ease congestion during peak times. There are roundabouts at either end of Wood End Green Road which can be utilised to make any turns. Also, please try to avoid driving your cars on the pavements as this is very unsafe for pedestrians. This will ensure the safety of all adults and children that use this road in the morning and afternoons. It is essential that we continue to work together in order to keep our community safe. Thank you for your continued support and cooperation.

No Idling - Engine off Every Stop

We have noticed that many vehicles' engines are left on in the morning whilst parked or stationary for a period of time as children are dropped off to school, with parents, guardians and carers either sitting and waiting or taking a phone call.

As a school, we promote safe and sustainable travel for not only our school community but also for the local residents. As such, we kindly ask that when your vehicle is stationary, your engine is turned off. This will ensure that the air around the School is cleaner and safer for all, and in particular, for those who suffer with respiratory conditions. This will also create a positive environmental impact in the long run. Thank you for your cooperation in this matter.
