

## Storytime Adventures

On Monday 1st March, the Nursery children read the well-known story, *We're Going on a Bear Hunt*. The children enjoyed hearing about all the adventures that transpired throughout the story, which stimulated their imagination and enhanced their creativity as they went on to retell the story using various props and natural resources such as mud, water and leaves! Enthused by the tale, they also designed a map to recall, in order, the main events to support their depiction of the story. This was achieved by sticking different materials to their maps alongside their creative illustrations. All the children enjoyed exploring the story in detail and were thrilled at the chance to be creative!

## St David's Day Cards

To celebrate St David's Day on Monday 1st March, the Reception children created their own St David's Day cards to mark the occasion. To celebrate the patron saint of Wales, whilst engaging in a meaningful Art and an aesthetic experience, the children used a daffodil [the national flower of Wales] as a predominant feature on their cards before expressing words of gratitude to their loved ones.

## Social Distancing

With all children returning to school next week, we would kindly like to remind everyone to adhere to social distancing guidelines and remain 2 meters apart when you are collecting and dropping off your children. Thank you.

## Preventing Germs - Good Hygiene

Following the advice given by the World Health Organisation (WHO), it is imperative that you follow these basic protective measures against coronavirus:
