Valentines Day Cookies

On Thursday 11th February, the Nursery Children made some wonderful heart shaped cookies for Valentines day. The children measured out the ingredients, mixed together the batter and cut out their own cookie with a heart shaped cutter. They smelt so yummy when they were being baked! All the children enjoyed baking but enjoyed eating their cookies even more!

Vaccine Fraud

The vaccine is a crucial tool in fighting coronavirus (COVID-19) and keeping people safe. Unfortunately, criminals have used this opportunity to take advantage of the COVID-19 vaccine rollout in order to commit fraud via phishing emails and scam text messages. As such, The NHS Counter Fraud Authority (NHSCFA) has issued a warning to the nation to be extra vigilant during this time. For guidance and support, please visit (http://upload.reactcdn.co.uk/rosedale/uploads/document/2601_COVID-19_Vaccine_Fraud_Poster_V3.pdf).

Please be extra cautious if you receive a communication purporting to be from the NHS demanding personal details. The vaccine is only available on the NHS and is free of charge. The NHS will never request your bank account or card details or personal documents proving your identity. If you have any concerns about the legitimacy of any communication, please visit the government website to report any internet scams and phishing: (<https://www.gov.uk/report-suspicious-emails-websites-phishing>). Alternatively, please visit (<https://cfa.nhs.uk/reportfraud>) for more information about how you will be contacted for your COVID-19 vaccine.

The NHS will never ask for:

- Your bank account or card details
- Your pin or banking password
- Copies of personal documents to prove your identity such as your passport, driving license, bills or pay slips

British Science Week

World Book Day - Thursday 4th March

In celebration of World Book Day, all the children have been invited to choose their favourite book from the theme for their Year Group and dress up for the day as a character from that book. The Year Group themes are as follows:

Nursery and Reception: Fairy tales

Year 1 and Year 2: Traditional stories from around the world

Year 3: A character from a favourite book

Year 4: Vikings and Anglo Saxons

Year 5: Ancient Greeks

Year 6: Famous people from history

Even if your child is at home engaging in remote learning, it would be lovely to see the children still take part and dress up as their chosen book character. Please note that whether or not your child is in school, they should aim to have the book that they are from with them. Please also be aware that children are not permitted to wear jeans or trainers and should not come dressed as superheroes.

We would still like to collect for charity on World Book Day and as such, any family wishing to contribute to the collection should send their child to school with 50p on this day. All funds collected will be donated to the Water Aid Charity. Thank you.

Full School Reopening - Monday 8th March

Following the government's announcement, we are delighted that we can welcome all our pupils back into school on Monday 8th March. We will be writing to all parents, guardians and carers shortly to set out our plans for the reopening, and look forward to seeing all our children back in class. Please visit <https://trhat.co.uk/letter-reopeningschool21-rp/> for further information.

Incredible Eggs - Monday 8th March

On Monday 8th March, we will be receiving an egg-citing delivery for the Reception and Nursery children, just in time for their return to school! The children will have the opportunity to watch ducklings hatch, learn how to care for them, understand their life cycle and watch them grow.

Online Safety

Online Safety is an important part of keeping children safe at Rosedale Primary. In an ever-changing world, ensuring pupils' safety online has never been more important. As we continue to promote positive use of technology to ensure the safety of all our pupils, we kindly advise all parents, guardians and carers to educate their children on the importance of making positive and informed choices whilst online. Please ensure you are maintaining open and regular conversations with your child about what they are doing online and who they are interacting with. Please visit <https://nationalonlinesafety.com/training> where you will have access to a number of safety guides for the appropriate use of social media platforms such as TikTok and Instagram, video conferencing software such as Microsoft Teams, and popular gaming consoles.

Reporting Positive Cases of Coronavirus

The School remains open specifically for vulnerable children and those of key workers. Whilst we reiterate our initial advice on reporting any positive cases of coronavirus to the School, it is vital that parents, guardians and carers of those children currently engaging in remote learning also continue to inform the School if their child has tested positive during the lockdown. In the event of a positive case, please contact us on 0208 573 7103 or email us at rosedaleprimary@trhat.org. This will allow us to monitor and manage potential cases and reduce the risk of transmission. Thank you for your cooperation in this matter.
