Bottle Moments

This week, the children in Reception have been getting creative by drawing pictures of what they are most looking forward to once the pandemic is over. The children drew various pictures including trips to the seaside and visiting friends. Drawing the bottles helped to lift their spirits as well as giving the children something to look forward to.

Half Term

The School will be closed from **Monday 15th to Friday 19th February for the Half Term holiday**. School finishes on Friday 12th February at the normal time and will reopen for vulnerable children and the children of key workers on Monday 22nd February at the staggered entry times.

Free February Half Term Workshops for Pupils

Hillingdon are providing a series of free workshops for children and young people aged 8 to 19 over half term. You can find details and book places using the links below:

Visit <https://trhat.co.uk/febworkshop21/> to see what's on this February half term.

Visit <https://trhat.co.uk/febworkshop21-form/> to request a free place.

Tube Station Points

As you are aware, the School uses a reward scheme to stimulate learning and motivate good behaviour. Children from Nursery to Year 6 are allocated to a tube station where they can earn points, contributing to the running total of their station. These are then collated into tallies each half term.

We have been working in the background to ensure this information is accessible on the School website and are pleased to announce that this page is now live. Families can view the progress of their child's station via Curriculum - Rewards and Incentives or by visiting <http://www.rosedaleprimary.co.uk/153/rewards-and-incentives>.

THE 20-20-20 RULE

to reduce the effect of digital eye strain

Take a break
for 20
seconds

Look at something
20 feet away for
20 seconds

Every 20
minutes.

follow the 20-20-20 rule and give your eyes a break

School Reopening Arrangements

Please note, we will continue to follow the arrangements for the reopening of schools as advised by the government. As such, following the half term, attendance will continue to be restricted to vulnerable children and the children of key workers only. This will be kept under review to ensure the health and safety of all children and any updated arrangements will be communicated to you via the School website.

Little Marvels Nursery

Little Marvels provides exciting learning experiences for all its children where learning and play work in unison. Little Marvels is the perfect space for your child to learn, play and grow, as they fulfil their full potential in every aspect of personal development within the Early Years Framework. We provide high quality childcare whilst providing enriching experiences and enhanced learning opportunities.

We are a full day care nursery for children aged 0 to 5 years old, offering full and term time only care between the hours of 8:00am to 6:00pm. We also support wrap-a-round care with Rosedale Primary, providing the perfect opportunity for nursery school children to access both provisions and partake in various play experiences that will best support their development. We accept Government funding for 2 to 3-year-olds, and work closely with Rosedale Primary School in order to deliver a smooth transition into school reception. Spaces are currently available at our site situated in Rosedale Primary School and our dedicated, highly qualified members of staff are ready to welcome you and your child into the nursery world! Please contact us on 07498 523 579 or visit our website at (<https://www.littlemarvelsnurseryservices.co.uk/>)

Use of Social Media

Parents, guardians and carers are reminded that children must be 13 years of age in order to have a Facebook, Twitter, Instagram or Snapchat account, and 16 years of age to use WhatsApp. You can find more information on age restrictions from The Safer Internet Guide, available here: (<https://www.saferinternet.org.uk/blog/age-restrictions-social-media-services>). During lockdown, there may be an increase in children wanting to access social media and to communicate with others online, and we ask parents, guardians and carers to closely monitor this to prevent risks and help keep their children safe.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at school, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the School and to ensure that you provide up to date details of at least two other emergency contacts for your child. If you need to make any changes to your child's contact details, you can do this via the School email address: rosedaleprimary@trhat.org. Thank you.

		Week Commencing: Monday 22nd February SPECIAL MENU

Reporting Positive Cases of Coronavirus

In light of the rapidly rising numbers of coronavirus (COVID-19) cases across the country, the School remains open specifically for vulnerable children and those of key workers. Whilst we reiterate our initial advice on reporting any positive cases of coronavirus to the School, it is vital that parents, guardians and carers of those children currently engaging in remote learning also continue to inform the School if their child has tested positive during the lockdown. In the event of a positive case, please contact us on **0208 573 7103** or email us at rosedaleprimary@trhat.org. This will allow us to monitor and manage potential cases and reduce the risk of transmission. Thank you for your cooperation in this matter.

Random Acts of Kindness Day

17th February
2021

Too often we underestimate the
power of a smile, a kind word,
or simply just showing you care,
all of which have the potential
to turn a life around.

How have you been kind today?
