### Adding Using Number Lines

The children in Reception have been building on prior knowledge, developing their understanding of addition using number lines! They identified the intervals on the number line, using this as a visual support to help them with various mathematical calculations. Even during these difficult times, the children are continuing to put in all their effort to explore mathematical concepts in sufficient depth and to embed understanding of the topic using pictorial representations whilst still enjoying school life!

### Law on Electric Scooters

Hillingdon Council has received numerous reports of electric scooters being used across the borough. As such, the School Travel and Road Safety team has issued guidance for parents, guardians and carers regarding the legality of using electric scooters in the UK.

Electric scooters, segways, hoverboards and a number of other 'powered transporters' are considered to be 'motor vehicles' and are therefore subject to the same legal requirements that apply to cars – tax, insurance and licensing. Such vehicles are illegal to use on the road and in most public spaces unless they conform to the law; they are also prohibited from being used on cycle tracks, cycle lanes, and other spaces dedicated to pedal cycle use only.

Those who do not comply with the relevant Road Traffic Legislation may face potential prosecution and any offence may result in having to pay a fixed penalty fine. As such, the School requests that children do not use any of the modes of transport listed above, particularly as means of commuting to school. For the Parents' Guide to Electric Scooters, please visit [\[www.hillingdon.gov.uk/e-scooter\]](http://www.hillingdon.gov.uk/e-scooter).

### Online Learning Logins

It has been good to see that so many children have been accessing Microsoft Teams and the other online platforms which support their remote learning. If you are having any problems logging into any of your remote learning accounts, please email the School at [rosedaleprimary@trhat.org](mailto:rosedaleprimary@trhat.org). Thank you.

We're committed to everyone's well-being.

**Our employees are wearing face masks.**

**We ask that you wear yours too.**

Thank you for your cooperation!

**SCHOOL IS STILL OPEN**

**We are open to care for our pupils who are vulnerable and those whose parents are essential Key Workers.**

Please email us at [Rosedaleprimary@trhat.org](mailto:Rosedaleprimary@trhat.org) or call us on 020 8573 7103 if you require our service the day before by 6:00pm

## Edenred FSM Vouchers

During these challenging times, we want to ensure that pupils eligible for benefits related to free school meals can continue to access support if they are not in school during term time.

As such, the government has reinstated the National Edenred Voucher Scheme. Those individuals eligible for Free School Meals will have received Tesco Vouchers for the first 2 weeks of the new term.

Slots have been available from Monday 18th January and vouchers will be issued on a fortnightly basis. Once issued, please follow the steps outlined below:

1. Go to [www.freeschoolmeals.co.uk](http://www.freeschoolmeals.co.uk)
2. Enter the unique 16-digit eCode
3. Select your chosen supermarket and check out
4. Your eGift cards will arrive by email within 24 hours

Please do not hesitate to contact the School if you require further help in regard to accessing these vouchers.

## Reporting Positive Cases of Coronavirus

In light of the rapidly rising numbers of coronavirus (COVID-19) cases across the country, the School remains open specifically for vulnerable children and those of key workers. Whilst we reiterate our initial advice on reporting any positive cases of coronavirus to the School, it is vital that parents, guardians and carers of those children currently engaging in remote learning also continue to inform the School if their child has tested positive during the lockdown. In the event of a positive case, please contact us on **0208 573 7103** or email us at [rosedaleprimary@trhat.org](mailto:rosedaleprimary@trhat.org). This will allow us to monitor and manage potential cases and reduce the risk of transmission. Thank you for your cooperation in this matter.

## Preventing Germs - Good Hygiene

Following the advice given by the World Health Organisation (WHO), it is imperative that you follow these basic protective measures against coronavirus:

- Washing your hands frequently
- Maintaining social distancing
- Avoid touching eyes, nose and mouth
- Practise respiratory hygiene

You must also follow the advice given by your healthcare provider, your national and local public health authority or your employer on how to protect yourself from COVID-19.

## Update on Individual School Photographs

All orders placed for the individual school photographs have been received and will be kept at the School for safe keeping. They will be available to collect upon your child's return to school. Unfortunately, the deadline date for orders to receive free delivery back to the School has now passed. For those who still wish to place an order will need to do so directly to Fraser Portraits; this will now incur an additional surcharge of £4.00 per pack which will be sent directly to your home address. If you have any queries, please contact the School.

		Week Commencing: <i>Monday 25th January</i> <b>SPECIAL MENU</b>	
<b>MONDAY</b>

Meal Choice 2	Guorn Nuggets with Oven Cooked Chips and Beans	Vegetarian	
<i>The daily dessert choices will be as follows:            Fresh Fruit, Yogurt, Jelly or Ice Cream pots</i>			

## Use of Social Media

Parents, guardians and carers are reminded that children must be 13 years of age in order to have a Facebook, Twitter, Instagram or Snapchat account, and 16 years of age to use WhatsApp. You can find more information on age restrictions from The Safer Internet Guide, available here: <https://www.saferinternet.org.uk/blog/age-restrictions-social-media-services>. During lockdown, there may be an increase in children wanting to access social media and to communicate with others online, and we ask parents, guardians and carers to closely monitor this to prevent risks and help keep their children safe.

## Emerging TikTok Trend

It has come to our attention that a new trend is currently emerging on TikTok.

TikTok users are conspiring to encourage children to disclose their remote learning login details via the video-sharing platform in attempt to infiltrate virtual classrooms. They identify potential victims, targeting pupils for access to their login details in order to intrude into lessons, film disruptions and then post it on TikTok.

We are aware of the propensity for children to share their login details with others and that such children are oblivious to the implications of sharing such credentials. Thus, please communicate with your child regularly about the importance of keeping passwords private.

As smartphones, computers and the internet are a fundamental part of modern life, it is crucial to monitor what your child is sharing and to encourage them to be extremely cautious online. Security must be a top priority at all times. Please reiterate the danger of sharing passwords as pupils will be held accountable if their accounts are compromised. For more information, please visit [http://upload.reactcdn.co.uk/rosedale/uploads/document/TIK\\_TOK\\_guidance.pdf](http://upload.reactcdn.co.uk/rosedale/uploads/document/TIK_TOK_guidance.pdf) for guidance on 'What Parents Need to Know about TikTok'.
