

School Council Leaders

After letters of persuasion and compelling speeches delivered to their peers, the School Leaders were finally selected at the end of the autumn term. The Leading Parent Partnership Award (LPPA) ambassadors in the other year groups were invited to be part of the process, enabling enough leaders to be selected to represent each Tube Station.

Nursery Children Making Fruit Kebabs

As part of the Nursery's Topic this term, 'Let's Be Healthy', the children made their own fruit kebabs!

They discussed what it means to be healthy and what kind of foods are good for us to eat. They also had the opportunity to practise and demonstrate their cutting skills when making their tasty kebabs!

12 DAYS OF CHRISTMAS VIDEO

The 12 Days of Christmas video is now available for viewing. Extend the festive feel by clicking on the link below and see just how Rosedale Primary spread cheer this Christmas!

SCHOOL IS STILL OPEN

We are open to care for our pupils who are vulnerable and those whose parents are essential Key Workers.

Please email us at Rosedaleprimary@trhat.org or call us on 020 8573 7103 if you require our service the day before by 6:00pm

Tube Station Tallies - Displayed on our Website

As all families are aware, in order to stimulate learning and motivate good behaviour, Rosedale Primary School uses a house system where each child from Nursery to Year 6 is allocated to a 'House' – Euston Square, Leicester Square, Russell Square or Sloane Square. All pupils have the opportunity to earn house points throughout the year for positive behaviour, outstanding work and Sports participation. This will encourage children to motivate themselves further by participating in the life of the School and encourage them to go the extra mile.

We are pleased to announce that all Tube Station points have been collated into tallies and families will be able to view the progress of their child's station in due course via the School website. This will allow everyone to see how their Tube Station is doing and encourage children to engage more than ever to build up their points for their Tube Stations.

Online Safety

Thank you to all parents, guardians and carers for their support with remote learning. You can find the School's Remote Education Offer on our website, via the link: http://upload.reactcdn.co.uk/rosedale_primary/uploads/document/2_136_rps-primary-remote-education-offer-2-2-2.pdf. Our aim is to ensure that children maintain their learning routines through following a timetable with their Class Teacher and Teaching Partner.

We fully appreciate that each home set up is different and encourage you to contact us if you are experiencing any difficulties with your child not being able to access their remote learning, so that we can support with alternative arrangements. We will continue to place links on our website to other resources that children can access. In addition, CBBC will continue to broadcast three hours of education programming from 9:00am to midday, for those families experiencing difficulties with internet access. Your child's teacher will work with you to look at different options.

	Week Commencing: Monday 18th January
SPECIAL MENU

Online Learning Logins - Microsoft Teams

It has been good to see that so many children have been accessing Microsoft Teams and the other online platforms which support their remote learning.

If you are having any problems logging into any of your remote learning accounts, please email the School at rosedaleprimary@trhat.org. Thank you.

Online Learning Resources

As we undergo another national lockdown, we urge all parents, guardians and carers to continue to foster an active approach in assisting your child with their learning at home.

To support your child's home learning, we will continue to share a range of online learning resources via the School newsletters and website, thus, please ensure you check the School website for regular updates.

Although we are encouraging pupils to utilise these online learning materials, we must also remind you that these resources are provided for pupils to make the most out of their learning experience at home. This is not to replace the work that has been set by their teachers but rather to supplement it, should they wish to extend their learning.

Below are some useful links for free online learning resources that have been made available to ensure continuity in education.
