

Year 5 Woodpecker Workshop

On Wednesday 7th October, the Year 5 Children took part in a Woodpecker Workshop in which they planned, designed and created their very own woodpeckers which pecked their way down thin poles. The children learnt about the different aspects of Science, Engineering, Mathematics and Technology through this exciting workshop and with limited assistance, they each achieved a beautifully designed, functional woodpecker, varying in colour and mobility. The children thoroughly enjoyed the workshop and were excited to show off their creative work to all their friends and family!

Year 3 Archaeological Dig

On Monday 19th October, Year 3 held their very own archaeological dig in the School's sandpits. The children were raring to go and were eager to see what hidden treasures they would discover in our playground! To begin with, they made their own artefacts by moulding classroom items into different shapes and secured them in place by using plaster. The artefacts were then buried and the children went and dug them up; they were careful in ensuring all the correct steps were taken as if they were doing an official dig. The children enjoyed this unique experience and the chance to become the School's archaeologists!

School Photographs - Friday 13th November

The School photographer is scheduled to visit on **Friday 13th November** to take individual photographs of the children. Please be advised that children must wear full school uniform.

Emergency Contact Details

In the best interest of your child's wellbeing whilst at school, it is vitally important, that in the event of an emergency, we are able to make contact with you or another emergency contact, as quickly as possible. To this end, we would like to remind all parents, guardians and carers to keep your contact details updated with the School and to ensure that you provide up to date details of at least two other emergency contacts for your child. If you need to make any changes to your child's contact details, you can do this at the School Office or via the School email address: rosedaleprimary@trhat.org. Thank you.

Birthday Treats

Whilst we appreciate that you would like to provide your child with cakes for their birthdays in school, due to the current restrictions surrounding coronavirus (COVID-19), we would like to remind all parents, guardians and carers that unfortunately, we are not able to give out any cakes for birthdays in school. We understand this may cause some disappointment to families and children and we thank you for your patience and understanding in this matter.

IPayimpact

Please can all parents, guardians and carers be aware that you need to create an IPay account if you have not already done so. It is very important to create an account so you can select what meal your child is having for lunch. This applies to all year groups having lunch, including Reception to Year 2. The IPay account is not only for school dinners but for purchasing uniform and making any other payments in school as we move towards a cashless system. If you are experiencing any difficulties in creating an account, please contact the School Office. Thank you.
