

Tomato Harvest

On Monday 28th September, children in Years 2 and 3 learned new skills and gained special benefits, such as a midday snack, by harvesting the tomatoes that they had grown from sowing seeds in February! They were amazed by the variety of colours, shapes and sizes, and could not delay taste-testing the produce that they had nurtured, giving them a sense of pride and personal achievement. The crop ripened in late July with a range of heirloom, cherry and garden-zeus tomatoes, enabling our children to grow and harvest their own nutrient-rich produce!

Drama Greek Mythology

On Tuesday 29th September, children in Year 3 re-enacted aspects of the Greek myth, Icarus and Daedalus, through mime and actions alone. The children embraced the opportunity to explore the myth's prominent themes through self-expression, as they strived to master the individuality of their assigned characters and refine their given scenes. Throughout this activity, the children developed their confidence levels and acting abilities, giving them a creative outlet and providing them with a safe space for exploring emotions and developing empathy.

Virtual Open Evening

This year, we regret to inform you that we are unable to welcome prospective families onsite to the Open Evenings of The Rosedale Hewens Academy Trust secondary phase schools due to COVID-19 restrictions. However, to ensure that prospective parents, guardians and carers have the chance to sample the Colleges' values and ethos, this year, we will be hosting two separate Virtual Open Evenings, streamed as live events to all prospective Year 7 students, via the Colleges' websites. There will be a variety of interactive activities uploaded to give students and their parents, guardians and carers the opportunity to discover first-hand what is on offer at the College. Families will also be given the opportunity to enjoy a virtual tour of the College, a promotional video, a speech delivered by the Principal, and gain an in depth and valuable insight into the College's curriculum. As it is not currently possible to replicate the rounded experience that this occasion usually provides to visitors, the virtual experience promises to be just stimulating. Please ensure you join us virtually on the dates below.

We also encourage you to explore our websites, read our prospectuses, and follow our social media channels for an insight into life at both Hewens and Rosedale Colleges. If you have children also in Year 6, or know those who do, please do encourage them to attend!

Hewens College - Tuesday 6th October at 6:00pm

<https://trhat.co.uk/virtualopenevening-hc/>

Rosedale College - Thursday 8th October at 6:00pm

<https://trhat.co.uk/virtualopenevening-rc/>

Year 5 Workshop Making Tudor Toys

On Wednesday 7th October, children in Year 5 will engage in a Science, Technology, Engineering and Mathematics (STEM) workshop and learn how to make woodpeckers using techniques and strategies from the Victorian and Tudor Times.

Parking Safely

Whilst we appreciate that parents, guardians and carers are often very busy rushing to pick up or drop off children to school, we must ask you to think carefully about where and how you park your vehicles. Unfortunately, inconsiderate parking by some is becoming a concern outside Rosedale Primary as it is causing serious congestion and therefore is a hazard to children crossing the road at the beginning and end of the School day. Parking close to the School gates or double parking increases the risk of an accident because it reduces the visibility of children crossing the road to access or leave school. Therefore, use of this area for parking or turning any other vehicles around is strictly prohibited. Please park considerately and drive slowly when bringing your children to, or taking them home from school. We thank you for your cooperation in this matter.

Emergency Contact Details

Please support us in our duty of care for your child by ensuring that any changes to email and contact details are communicated to us as they happen. It is especially important that we are able to communicate with you effectively during these challenging times. You can send us an email at rosedaleprimary@trhat.org, or fill out the contact details form at the School Office.

Dismissals

The arrangements for parents, guardians and carers to collect their children require careful consideration to ensure that social distancing between families, staff and children is maintained. Families are reminded to adhere to the social distancing guidelines whilst on the school premises. Thus, once you have collected your child from school at their allocated dismissal time, please ensure that they remain by your side at all times. It is becoming increasingly difficult to dismiss the older children whilst the younger years are playing at the front of the School. Careful consideration should be given to ensure that ALL children are safe. Additionally, please remain behind the line and avoid approaching the grass area upon collection of Year 5 and 6 children. Thank you for your continued support during these difficult times.

Primary School Admissions 2021

We would like to inform all parents, guardians and carers of children born between 1st September 2016 and 31st August 2017 that the closing date for applications for Primary School places to be received by the London Borough of Hillingdon, by post or online, is midnight on **Friday 15th January 2021**. To ensure your application arrives on time and in order to give your child the best possible chance of being offered the school of your choice, we would advise that you submit your applications prior to the Christmas holiday period. The London Borough of Hillingdon states on their website that they cannot be held responsible for any delays in applications due to problems with postal or Internet service providers. Further information can be found on www.hillingdon.gov.uk/primary or by telephoning the School Placement and Admission Team at the Civic Centre, Uxbridge on 01895 556644.

A New Hospital in Hillingdon

The Hillingdon Hospitals NHS Foundation Trust has announced plans to build a new hospital in Hillingdon by 2025. The Trust would like to hear from members of the public who would like to know more about the redevelopment programme, to ensure that all ideas and aspirations are considered for any potential plans. Further information and a short survey can be found at <https://thh.nhs.uk/redevelopment/>.
