

First Day at Nursery

The Nursery children had instantly absorbed themselves in a number of exciting activities on their first day back, allowing them to progress in their learning and grow confidently in their new setting. They displayed confidence in outdoor activities and demonstrated resilience in settling in. The children have adapted quickly to the new regime by observing hand sanitising practices and playing in their bubbles.

New Reception

On Tuesday 8th September, the Reception children engaged in a variety of activities as they explored numeracy using sequencing cards, sharpened their knowledge on two-dimensional shapes and sizes by perfecting their shape-drawing skills and expanded their knowledge on measuring using water. It was an exciting day for the children, beginning the academic year afresh with an abundance of new things to experience and learn!

Free School Meals - Application Process

'Free School Meals' is a statutory means-tested benefit, which provides a child with meals at school for free. If you believe your child may be newly entitled to this benefit, or if they received it last year and you would like to reapply, please attend the School Office and request an application form. The School Office will also be able to advise any parents, guardians or carers who are unfamiliar with the process for claiming 'Free School Meals'. The Free School Meals benefit does not automatically renew; it must be reapplied for each academic year. It is important to note that until your child has been confirmed as receiving the Free School Meals benefit, their school lunches must be paid for.

IPayimpact

As you are aware, we have recently introduced IPayimpact which is an online payment system for lunch and uniform orders. As with any new platform, we are experiencing some delays in processing requests and we ask for your patience as we work with the providers to correct all issues.

We ask that you continue to raise these issues with us so we can resolve them in a timely manner.

Thank you for your continued support and patience in this matter.

You can purchase book bags and Physical Education clothing from the School website.

The days children will be participating in Physical Education is as follows:

Starts and Dismissals

We would like to thank all parents, guardians and carers for your cooperation and support when dropping off and picking up your children from school. The children have adapted to their new routines and have adhered to new school protocols of sanitising and temperature checks.

Please continue to ensure your children are in school at their allocated time so as to avoid close contact with other children onsite and congestion outside the school gates.

To ensure the safety of all children, upon collection, we kindly advise all parents, guardians and carers to restrict your child from using the School's playground equipment.

Families are also reminded to maintain a social distance of 2 metres at all times and refrain from gathering on the School premises once you have collected your child.

We thank you for your cooperation in this matter.
