Young Voices Concert

On Tuesday 17th January, some of the Year 5 children travelled to the O2 Arena to take part in the Young Voices concert. The children have been rehearsing hard since October last year. The children continued to show their determination and dedication to the choir all the way through. Their hard work was rewarded and paid off when they are able to perform at the O2 in front of thousands of audience members. The children were swept away with the electric atmosphere at the O2, showcasing their dance moves to the best of their ability and singing at the top of their lungs. It is fair to say, everyone that attended the choir had the best time and thoroughly enjoyed the entire concert.

Year 3 and Year 4 Pedestrian Training

On Monday 16th January and Thursday 19th January, the Year 3 and Year 4 children took part in Pedestrian Training delivered by the STARs team. The children were split into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practice all they had learnt. It was an invaluable experience for the children as they witnessed some of the hazards first-hand and felt confident in knowing what they needed to do to keep safe.

We hope that by taking part in the Pedestrian Training, this will encourage more children to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

French Market

To celebrate the end of the autumn term and Christmas, the school organised a French-themed Christmas market, where our school council leaders had the chance to contribute to the organisation of this extravaganza. Children from KS1 and KS2 enjoyed using the target language to purchase Christmas presents and enjoy French patisserie.

The event was part of our commitment to a local charity, and we raised around £130.

Reading with your Children!

Reading books aloud to children stimulates their imagination. It helps them develop language and listening skills and prepares them to understand the written word. With this in mind, we urge all parents, guardians and carers to share a book with your children at bedtime. If you need any advice on reading to your child, please do not hesitate to contact the School or speak with the class teacher.
