Public Health - Cases of Measles in Hillingdon

The local Public Health team has informed us that there has been a recent increase in the number of cases of Measles in Hillingdon. The cases all children aged 1 to 16, and all are unvaccinated.

It is important that if a child is suspected of having measles, they do not attend school. They must telephone their GP or NHS 111. Measles is a notifiable disease which means all cases must be followed up, and contacts identified and given advice on what action they need to take.

Pedestrian Training - Year 2

On Thursday 27th April, the Year 2 children will be taking part in pedestrian training which is delivered by staff from the London Borough of Hillingdon. The pedestrian training is part of the School efforts to promote and encourage road safety, and active and sustainable travel. As part of the training, the children will be leaving the School site. Please ensure your child comes to school wearing their full school uniform and is wearing the appropriate outdoor attire as part of the session will take place outside.

School Uniform

All children within our school community are expected to wear the full and correct school uniform whilst attending school. This helps to demonstrate a sense of belonging, inclusion and ensure that no one stands out. It has been brought to our attention that a number of children are not in possession of the full or correct school uniform, which includes a book bag. You can find the uniform requirements on our website by following this link: (<https://www.rosedaleprimary.co.uk/uniform-requirements>). Please can you make sure that any missing items of uniform are purchased through your child's iPayimpact account. Thank you.
