

Hampton Court Palace

On Friday 12th May, the Year 6 pupils visited Hampton Court Palace. The children toured and explored the Palace, learning about the many different Kings and Queens that lived there. They also took part in the Inventors Workshop in which they discovered different inventions that not only made the Palace an impressive place but also how they made day to day life much easier. All the children had a really good day and enjoyed every minute!

Pedestrian Training – Year 1

On Thursday 11th May, the Year 1 pupils took part in Pedestrian Training delivered by the STARs team. The children were split into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children put into practice all they had learnt on the model road inside the school hall. We hope that by taking part in the Pedestrian Training, this will encourage more children to travel to school sustainably (walking, biking, scooting etc...) as they will feel more confident about travelling along our roads.

Firefighter Visit

The Nursery and Reception children had a very special visit from some Firefighters who are based at Hayes Fire Station. They arrived at our school in a big red Fire Engine and spoke to the children about how to stay safe and prevent fires from happening. They were also shown the protective uniform firefighters wear to keep them safe when putting out fires and even got to try on the uniform themselves! All the children thoroughly enjoyed their visit!
