

Hounslow Urban Farm Trip

The Year 2 pupils had a great day out at Hounslow Urban Farm. They were able to get up close to some of the animals, and even fed them. They went on a guided tractor ride around the farm to see some of the bigger animals to learn about the breed of each animal, where they originally come from and what they like to do and eat. They ended the day playing on the outdoor adventure playground and playing in the soft play areas where they all had great fun.

Compass Workshop

On Wednesday 7th June, the Year 6 pupils worked with compasses, solving GCSE questions. The teacher from Rosedale college led the lesson along with her students from the College. The teacher said that the children showed great enthusiasm and determination to solve the problems and to bisect the angles. They are certainly on their way to being ready for secondary school!

Trip to Legoland - Year 1

On Friday 30th June, the pupils in Year 1 will be visiting Legoland. You will need to bring your child into school by no later than 8:30am to ensure that the children can leave promptly. For the trip, children will be required to wear their full and correct school uniform. Your child should also come with sun cream and a hat if the weather is hot.

They will also need to bring a bottle of water and a healthy packed lunch. If you have any issues or concerns preventing you from making the payment on IPAY impact or handing in the reply slip, please do let us know in the School Office.

Sun Cream and Hats

As we move towards the summer months and the weather gets warmer, please ensure your child is wearing sun cream particularly on sunny days (which should be applied before coming to school) and a sun hat for when they are outside. Thank you.
