

Rosedale Primary Summer Fair!

On Friday 9th June we held our Summer Fair and what a fair it was! We were so fortunate to have such beautiful weather which allowed our school community to come together and enjoy everything the fair had to offer. The children got stuck in with the arts and crafts stalls, some children had glitter tattoos and face paint. They enjoyed themselves on the bouncy castle and other outdoor games making sure they later rehydrated themselves with plenty of juice and ice lollies! We were also pleased to see how popular our candy floss stall was! We would like to thank all the children, staff and parents that helped to run the fair and dedicated their time to ensuring everyone had a wonderful time. Thank you to everyone that came support the fair, as without the support of the local community, it wouldn't have been the roaring success that it was!

Year 4 Trip to Reading Museum

On Tuesday 6th June, the Year 4 pupils visited Reading Museum which helped to support their learning in a fun and interactive way. The children explored the museum and all it had to offer, discovering lots of things that they hadn't seen or known before. They also took art in a prehistory workshop which encouraged the children to discover early parts of history through the use of role-play, jewelry design and looking at ancient artifacts. The pupils thoroughly enjoyed their experience and all it had to offer.

Reading for Pleasure - Active Learn

As a school, we continue to promote a positive relationship with reading as reading gives the children the ability to access their learning. We aim for children to find enjoyment in reading and encourage them to read for pleasure. With this in mind, we continue to use Active Learn where the teachers regularly allocate books for each child to read. We would like all parents, guardians and carers to support their children and the School in our goal for every child to read for pleasure. Therefore, please do make sure that your child is accessing Active Learn at home and reading any books allocated to them as this is a fun and interactive way for children to access reading. If you are experiencing any problems with Active Learn, please contact the School Office.

Updating Email Addresses

Please can all parents, guardians and carers ensure that we have an email address on the School system for both parents as we would like to send out further communication via email. You can either email the School account with this information or fill out the contact details form at the School Office. Thank you very much for your cooperation.

School Shoes

We have noticed that some children are coming to school wearing trainers and incorrect school shoes. All children are expected to wear plain black shoes. Thank you.
