

Year 1 and 2 Sports Day

On Friday 16th June, the Year 1 and 2 pupils took part in their much-anticipated Sports Day. The children were all excited and eager to take part in the number of activities planned for the day, ranging from the egg and spoon race, penalty shoot-out, an obstacle course and various track events. All the children worked collectively in their tube stations, embodying competitive spirit and skill as well as exemplifying good sportsmanship on the field in celebrating their teammates' achievements.

We even had parent races which saw the children's parents, guardians and carers get just as competitive as the children and it was great to see the families get into the spirit of Sports Day just as much as their children.

Thank you to the Rosedale College Physical Education (PE) Alliance for putting on such a well-organised and varied morning for the children.

Year 6 Pedestrian Training

On Thursday 15th June, the Year 6 pupils took part in Pedestrian Training delivered by the STARs team. The children were spilt into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practice all they had learnt.

We hope that by taking part in the Pedestrian Training, this will encourage more children to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

Small World Toys and Fancy Dress

Reception and Nursery are looking for fancy dress costumes and small world toys to use as part of their role play activities. If you have any fancy dress costumes or small world toys such as cars, people, houses etc. that you no longer use at home, that are good condition and would like to donate to the school, please hand these in to School Office. We would be very grateful for any items received as it helps to enrich the learning of our children in the early years. Thank you.

Bikeability Interest

In September the new Year 6 children will be given the opportunity to take part in the Bikeability training which helps to improve the understanding and safety of children using their bikes out in public spaces, in particularly on the road. If you would like your child to take part in the training, please can you register your interest by following the link bit.ly/3ph4ZCe. Thank you.

School Uniform

All children within our school community are expected to wear the full and correct school uniform whilst attending school. This helps to demonstrate a sense of belonging, inclusion and ensure that no one stands out. It has been brought to our attention that a number of children are not in possession of the full or correct school uniform, which includes a book bag. You can find the uniform requirements on our website by following this link: <http://www.rosedaleprimary.co.uk/113/uniform-requirements>.

Parents, guardians and carers are reminded that children must only wear black jogging bottoms for Physical Education (PE). Also, it is essential that all items of your child's school uniform are labelled with your child's name. Please can you make sure that any missing items of uniform are purchased through your child's iPaymact account. Thank you.

Safeguarding Our Children

Please can all parents, guardians and carers be mindful of the safeguarding aspects for drop off and collection times. It has been noted that children are being left unattended during these times at the School entrance. Please ensure you keep your child/children with you at all times when outside the School playgrounds to avoid any incidents..

School Shoes

We have noticed that some children are coming to school wearing trainers and incorrect school shoes. All children are expected to wear plain black shoes. Thank you.
