

Gordon Brown Centre Residential Trip

On Monday 10th to Friday 14th July, some of the Year 6 children visited the Gordon Brown Centre for their residential trip and they were fortunate enough to have perfect summertime weather! The children took part in various outdoor activities including the GBC Megabowl, Roman Gladiator Training Camp and the Trim Trail.

In the evenings, the children had a DVD, Sports and Quiz night. All the children had a fantastic time and enjoyed every minute of the trip. The children were also given responsibilities such as cleaning up after meal times and feeding the goats which helped to give them a sense of independence, responsibility and team work.

When the children got back from the residential, some of them did not want to come home as they were reliving the past week with their friends. All the children gained new found confidence and independence and now feel even more ready for starting secondary school in September.

Barra Hall Park Trip – Year 4

On Wednesday 12th July, Year 4 went on a local area walk to Barra Hall Park as part of their History and Art topics. They were able to look and learn about the history of some of the old buildings in our local area and how they have changed over time, including the oldest building in Hayes. Then the students sketched the bandstand in their Art books. Children had an enjoyable morning.

Reading for Pleasure - Active Learn

As a school, we continue to promote a positive relationship with reading as reading gives the children the ability to access their learning. We aim for children to find enjoyment in reading and, encourage them to read for pleasure. With this in mind, we continue to use Active Learn where the teachers regularly allocate books for each child to read. We would like all parents, guardians and carers to support their children and the School in our goal for every child to read for pleasure. Therefore, please do make sure that your child is accessing Active Learn at home and reading any books allocated to them as this is a fun and interactive way for children to access reading. If you are experiencing any problems with Active Learn, please contact the School Office. Thank you.
