

Fruit Salad

Children in Nursery have been learning about healthy foods by making their own fruit salads. Pupils chose which fruits they liked the most, whilst tasting lots of new fruit as well! They then practice their cutting skills, chopped up their chosen fruit and mixed it all together to make delicious fruit salads.

Science – Year 3

This term in Science and PSHE, pupils in Year 3 have been learning about the human body, how it moves and how we can keep ourselves healthy. Children have learnt about the digestive, muscular and skeletal systems. In Art, pupils used their scientific knowledge of bones and skeletons to make a spooky skeleton using straws, in time for Halloween..

The Hillingdon Food Bank were very grateful for the large amount of food and toiletry items our school was able to collect in support of those who need our help the most. We would like to thank all parents, guardians and carers for your support and generosity in donating items for our Harvest Festival celebration.

Prams and Buggies:

Special arrangements have been made to accommodate prams and buggies during the performances. They can be parked in the corridor opposite the small hall as there is not enough space for prams to be brought into the small or main hall.
