

## Year 1 Christmas Performance

On Friday 15th December, children in Year 1 took part in their Christmas performance. Pupils narrated the story of the birth of baby Jesus and delivered an accurate recount of what transpired on the very first Christmas. All the children put on a phenomenal performance, singing beautifully and acting out their parts with great confidence.

## Reception Christmas Performance

On Monday 18th December, the Christmas Story came to the Farm for Reception's Christmas performance. All the animals asked for one special present, which they woke up to on Christmas morning! They also learnt about the true meaning of Christmas. The children thoroughly enjoyed taking part in the performance and were very excited to sing the songs they had learnt to their audience, clearly demonstrating how they had grown in confidence since starting Reception in September.

### Primary School Admissions 2024

We would like to inform all parents, guardians and carers of children born between 1st September 2019 to 31st August 2020 that the closing date for applications for Primary School places to be received by the London Borough of Hillingdon is Monday 15th January 2024. To ensure your application arrives on time and in order to give your child the best possible chance of being offered the School of your choice, we would advise that you submit your applications prior to the Christmas holiday period. Thank you.

## Headteacher's message

I cannot believe we have already got to this time of year, September is almost a distant memory. The Autumn Term has been very busy as you can see from our newsletters and website, pupils and staff have whole heartedly thrown themselves into performances which were very well supported by you bringing and sharing the message of peace and goodwill towards all. During this time we are also made aware of those in need and as a school we continue to contribute to the local food bank and to Water Aid, we also have supported Children in Need, We also think about those children whose lives are in turmoil nearer to home and further afield pray for an end to their suffering and hardships we will think of them in our prayers with hope that peace will prevail soon. Let us never forget those who are very poorly and those without families to turn to in our care homes and hospitals. A school is just a building without children and staff, we wish everyone health, success and determination that whatever happens we are one people and one world. From myself and everyone at Rosedale Primary we wish you a very merry Christmas and a super New Year, with a hope you will keep yourselves and families safe.

## School Shoes

We have noticed that some children are coming to school wearing trainers and incorrect school shoes. All children are expected to wear plain black shoes. Thank you.

## Parent Consultation

Parent consultation meetings will be held over a two-day period on Monday 8th and Tuesday 9th January 2024. Please be assured that we have taken into consideration those who have more than one child and have given a similar time to accommodate these families on their assigned day. If this is not the case, please contact us via email and we will try to change this for you. If you are unable to attend the parent consultation meeting, the teachers will make alternative arrangements via telephone conference.

## Christmas Performance - Thank You

We would like to thank all our parents, guardians and carers who came to watch the children in their Christmas Performances. Although, we were unable to accommodate all those who wished to attend, we are grateful that our pupils were still able to proudly showcase to you what they have been working on this term. The Christmas USBs will be going on sale now, so please keep a look out for these when we return!

## Start of Spring Term

Please be reminded that school commences for the spring term on Wednesday 10th January 2024 at the normal start time of 8:30am. It is essential that your children arrive on time as lessons will begin promptly. It is extremely important that every child makes a positive start to the new term!

## Road Safety and Traffic Congestion

We would like to say thank you to everyone for driving and parking safely when dropping off and picking your children up from school. We ask that, where possible, please avoid making any U-turns outside the front of the School. This is to minimise and ease congestion during peak times. There are roundabouts at either end of Wood End Green Road, which can be utilised to make any turns. Also, please try to avoid driving your cars on the pavements, as this is very unsafe for pedestrians. Thank you for your continued support and cooperation.
