

Road Safety Workshop – Year 2

Pupils in Year 2 were delighted to attend the road safety workshop “On The Right Road” delivered by Wizard Theatre supported by TFL STARS Team. The performance addressed the various issues of travelling to school safely through the eyes of two friends Craig and Jonna. The pupils thoroughly enjoyed taking part and asked lots of very interesting questions!

Dissolving Investigation - Year 5

Pupils in Year 5 undertook a Science Experiment for their States of Matter topic this term, whereby they had the opportunity to investigate various substances that dissolve and those that do not, using variables of hot and cold water as well as learning all the names of Scientific apparatus and the process of an investigation. Pupils had to initially discuss and write up their hypothesis within their groups, based on scientific knowledge, followed by undertaking the experiment at various stations- there were 5 altogether; Salt station, Sugar station, Sand station, Glitter station and Oil station. Pupils then observed the solutions very carefully to see which were soluble and which ones were insoluble, and they recorded their observations in a table and later conveyed the data in the form of a graph.

Keeping our Community Safe

As a school, we have an ongoing commitment to making sure all of our children are kept safe in and out of school. With this in mind, we would like to ensure that all our children are aware of the importance of not speaking to or approaching anyone that is unknown to them. Therefore, when collecting and dropping your children off, as it is often a busy time and the site and surrounding areas become crowded, please ensure you have your child in sight at all times. If your child is in Year 6 and travels to school independently, you may wish to provide them with a mobile phone for reasons of personal safety. It is the policy of the School for all pupils to hand their mobile phones in to the School Office upon arrival where it will be securely stored until the end of the day when they must be collected by the pupils.

Children's safety will always continue to be one of our top priorities and we thank everyone for their continued support in making sure that everyone within the School community is kept safe.

Help us to reduce our carbon footprint by donating your pre-loved school uniform!
