

Pedestrian Training – Year 3

On Thursday 26th September, the Year 3 pupils took part in Pedestrian Training delivered by the STARs team. The children were split into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practice all they had learnt.

It was an invaluable experience for the pupils as they witnessed some of the hazards first-hand and felt confident in knowing what they needed to do to keep safe. We hope that by taking part in the Pedestrian Training, this will encourage more pupils to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

Asthma Advisory Notice

The Hillingdon Champions of Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler regularly every day, even if well. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

Black History Month – October 2024

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made. First brought to the UK in the 1980s. Black History Month was initially introduced to the country by a member of the Greater London Council, Akyaaba Addai Sebo. Since 1987, Black History Month has been celebrated annually in the UK, to eradicate discrimination and encourage racial equality. At Rosedale Primary School, we will be honouring the contributions made to society by people of Black heritage and their communities.
