

Halloween Party

On Friday 25th October, the Early Years children prepared for the spookiest season of the year and got into the spirit of Halloween by dressing up in costumes, before revelling in the eerie events of their Halloween party. The children ate party food, took part in many Halloween themed activities and played various games including musical bumps and musical statues. They thoroughly enjoyed firing up their imaginations with their choice of costumes and taking part in the 'spooktacular' range of Halloween activities this year!

Harvest Festival Collection

In October, the Hillingdon Food Bank came to collect the School's Harvest Festival donation. The pupils have been learning about how even a small contribution can go a long way in supporting and helping our local community, particularly in these more challenging times. The Hillingdon Food Bank were very grateful for the large amount of food and toiletry items our school was able to collect in support of those who need our help the most. We would like to thank all parents, guardians and carers for your support and generosity in donating items for our Harvest Festival celebration.

Electric Circuits

Year 4 pupils had the opportunity to use a range of electrical components to build simple electric circuits in our practical session. They used - battery, wire attached with crocodile clips, light bulb, buzzer, motor and switch. Accepting the challenge, they also built series circuits to demonstrate their deeper understanding of the topic. Additionally, children used different materials to test whether they are conductors or insulators of electricity. They successfully built small fans using batteries, wires, motors and paper as the blades of their fans.
