

Hampton Court Trip

On Friday 25th October, the Year 5 children visited Hampton Court Palace. The children toured and explored the Palace, learning about the many different Kings and Queens that lived there. They also took part in the Inventors Workshop in which they discovered different inventions that not only made the Palace an impressive place but also how they made day to day life much easier. Despite the chilly weather all the children had a really good day and enjoyed every minute!

Bikeability Training

From Monday 21st to Thursday 24th October, a group of Year 6 children had a real sense of excited achievement as they completed their Bikeability course – a bike-training scheme provided by the London Borough of Hillingdon. They began by learning some basic road safety skills before riding on the roads under strict supervision, around Hayes. At the end of the week, the instructors commented on the excellent behaviour of all the children who attended the course and the progress they all made. Congratulations to all the children who took part!

Year 6 SATs Workshop

On Tuesday 5th November, the Year 6 parents, guardians and carers were invited to take part in SATs Workshop. They learnt about what the children are expected to know in preparation for their SATs, the techniques taught in school and even had a go at some of the past questions! All those who attended found the workshop very helpful and informative.

Daylight Savings Safety Plans

We are fast approaching winter, clocks are due to go back within the week and the daylight hours are becoming shorter. Pupils may find themselves travelling to and from school in the hours of darkness over the coming months. Pupils and their parents are reminded that in order to maximise their safety on their journeys to and from school we would recommend:

- Where possible students walk/travel in pairs or groups to and from school.
 - Walk down main roads/routes that are well lit. Avoid going through parks, alleys or other unlit or poorly lit areas.
 - Ensure they are alert to the environment around them, avoid wearing headphones or being distracted by mobile phones and other devices.
 - Students should have a set route to and from school that is discussed with parents and carers.
 - Parents and carers have a personal safety conversation with their children.
- If they are concerned about their safety please call the police.

Please take a look at the Walk Safe App, to see if this is something suitable for you and your family to use. The link for the app can be found on our website:

Christmas Performances

All Christmas Performances will be starting at 9:30am in the main hall. Please check the diary to see the dates of your child's Christmas Performance. These will be given out within the next week. Their class teacher will let you know if your child needs any additional clothing for their costumes.

Prams and Buggies

Special arrangements have been made to accommodate prams and buggies during the performances. They can be parked in the corridor opposite the small hall as there is not enough space for prams to be brought into the small or main hall.

Photography

We kindly ask everyone to be considerate and to remain seated during the children's performances, particularly when taking photographs so the view of others isn't obstructed. Thank you.
