

Greek Pottery

Over the past term, Golden Eagle have learned how to make pottery as they study Ancient Greece. The Ancient Greeks used clay to make pots for cooking or storing food and small bowls and cups were made for people to eat and drink from. Pupils were well engaged and used their creativity to make their clay pieces.

Police Officer Visit

On Thursday 24th April, local Metropolitan Police Officers visited the children in Nursery and Reception. The children asked the Police Officers lots of questions about their job. The children were so impressed by what they heard that some of the children said when they grow up they want to be a Police Officer!

Notice from Hillingdon - Online Parenting Support

We understand that getting support as a working parent to young children can be challenging. That's why the Hillingdon Family Hub Network has created an online parenting offer specifically designed to support working parents. Workshops and courses are available both during the day and in the evening and delivered by qualified early years staff in an engaging and non-judgemental manner.

Our workshops cover essential topics such as:

- **Fussy Eating**
- **Toilet Training**
- **Behaviour Strategies**
- **Support for parents transitioning their children into childcare and/or school**

Additionally, we offer two comprehensive online parenting courses:

Exploring Parenting Together - A fun five-week course designed to help parents improve their relationship and behaviour with their children.

Ducklings - A four-week course aimed at supporting parents who have a child newly diagnosed with autism spectrum condition or who is awaiting an assessment with the Child Development Centre.
