VE Day Celebrations

Rosedale Primary School came together to commemorate the 80th anniversary of Victory in Europe with a day of meaningful celebration and reflection. The school was filled with a sense of pride and remembrance as children and staff dressed in 1940s-style clothing, took part in themed activities, and learned about the significance of Victory in Europe Day. Throughout the day, pupils engaged in history lessons focusing on World War II, explored artefacts, listened to wartime music, and created artwork and writing inspired by the era. The event not only deepened pupils' understanding of this pivotal moment in history but also fostered a strong sense of community and gratitude! The pupils returned buzzing with excitement and newfound knowledge truly a memorable experience for our young scientists.

Pedestrian Training – Year 2

On Tuesday 6th May, the Year 2 pupils took part in Pedestrian Training delivered by the STARs team. The pupils were spilt into small groups and learnt about the different hazards on the roads as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practice all they had learnt. It was an invaluable experience for the pupils as they witnessed some of the hazards first-hand and felt confident in knowing what they needed to do to keep safe.

We hope that by taking part in the Pedestrian Training, this will encourage more pupils to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.
