

Compass Workshop

On Friday 6th June, the Year 5 pupils worked with compasses, solving GCSE questions. The teacher from Rosedale College led the lesson along with her students from the College. The teacher said that the pupils showed great enthusiasm and determination to solve the problems and to bisect the angles. They are certainly on their way to being ready for secondary school!

Year 1 and 2 Sports Day

On Wednesday 11th June, the Year 1 and 2 pupils took part in their much-anticipated Sports Day. The children were all excited and eager to take part in the number of activities planned for the day, ranging from the egg and spoon race, penalty shoot-out, an obstacle course and various track events. All the children worked collectively in their tube stations, embodying competitive spirit and skill as well as exemplifying good sportsmanship on the field in celebrating their teammates' achievements. Thank you to the Rosedale College Physical Education (PE) Alliance for putting on such a well-organised and varied morning for the children.

Summer Fair - Friday 20th June

On Friday 20th June we will see the return of Rosedale Primary's Summer Fair! The children and staff are excited to share all the fun and excitement of the afternoon with our school community. The fair will be running from 12:45pm to 4:30pm.

Social Media - A Reminder About Safety and Age Restrictions

As a school, we are committed to the safety and wellbeing of all our pupils, both in school and at home. Please be aware that most social media platforms (e.g. Instagram, Snapchat, TikTok, WhatsApp) require users to be at least 13 years old due to risks such as inappropriate content, online bullying, and contact with strangers.

Key Reminders:

- Most platforms require users to be ages 13 or over.
- Unsupervised use can expose children to harm.
- Online actions can have legal and emotional consequences.
- Parents, Guardians and Carers should regularly monitor and guide internet use.

Please talk with your child about safe online behaviour, check privacy settings, and report any concerning content. It is also important to remind children that what they post or share online can have real-world consequences, including legal ones in certain situations. Thank you for helping us keep our school community safe.
