

Pedestrian Training – Year 3

On Thursday 25th September, the Year 3 pupils took part in Pedestrian Training delivered by the STARS team. The children were spilt into small groups and learned about the different hazards on the roads, as well as how to keep themselves safe when walking on the pavements and crossing roads, particularly busy ones. Once they had received their initial training, the children ventured out onto the local roads around the primary school to put into practise all they had learned. It was an invaluable experience for the pupils as they witnessed some of the hazards first-hand and felt confident in knowing what they needed to do to keep safe. We hope that by taking part in the Pedestrian Training, this will encourage more pupils to travel to school sustainably (walking, biking, scooting etc.) as they will feel more confident about travelling along our roads.

Reception Parents Phonics Workshop

On Thursday 30th September, the school held a phonics workshop for all the parents, guardians and carers of Reception children. Everyone had the opportunity to learn all about Jolly Phonics and the sounds and actions their children learn in school. Everyone who attended found the workshop very helpful and enjoyed taking part!

Year 6 Bikeability – 10th November to 13th November

Year 6 students will have the opportunity to take part in Bikeability training, which promotes safe cycling skills. However, unlike previous years, the Bikeability team will not be able to provide the Dr Bike service this time. This service usually involves checking the children's bikes to ensure they are safe and in good working order.

Instead, they have provided us with a link to a video that guides you through checking your child's bike at home. This will help you identify and make any necessary repairs before the training. You can find this information on <https://bikeability.org.uk/cycle-more/be-prepared/looking-after-your-bike>. Thank you.
