

Science Practical

Year 4 pupils had the opportunity to use a range of electrical components to build simple electric circuits in a practical session. They used a battery, a wire attached with crocodile clips, a light bulb, buzzer, motor and switch. Accepting the challenge, they also built series circuits to demonstrate their deeper understanding of the topic. Pupils used different materials to test whether they are conductors or insulators of electricity. They successfully built small fans using batteries, wires, motors and paper as the blades of their fans.

Hayes Town Partnership Treasure Hunt

During the half term holiday, the Hayes Town Partnership put on a Treasure Hunt activity for the children to complete. Many of our children took part. On Thursday, 13th November, David Brough and Ajaib Puar from the Hayes Town Partnership visited our school to present the award to the first prize winner. The winner received a brand-new laptop and a trophy in recognition of their outstanding achievement. Congratulations to Yusef Fadhil. Thanks to the Hayes Town Partnership for providing the children with this opportunity. .

Poppy Making

Our pupils have been busy creating beautiful poppies in Arts and Crafts as a heartfelt tribute to commemorate Armistice Day. Their handmade poppies symbolise respect, remembrance, and honour for those who served, bringing history to life through creativity and reflection.

Children in Need

On Friday 14th November, the children at Rosedale Primary School played a huge part in helping to raise money and support thousands of children in local communities across the UK for Children in Need. The charitable contribution involved them raising awareness by attending school donning spotty items just like Pudsey! There were various activities taking place throughout the day with Reception children baking enticing cookies and adorning them with Pudsey spots, and Nursery children designing their own Pudsey masks!

The Nursery children were asked what they could do to help Children in Need and some of the responses included "I am going to feed them", "take them to the doctor", "give them water" and "I am going to dance with them." To see even our youngest children displaying altruistic behaviours, supporting all those around us is truly commendable!

We would like to thank you all for your kind donations. This year, we raised a total of £105.28 for Children in Need.

Daylight Savings Safety Plans

We are fast approaching winter, clocks have already gone back and the daylight hours are becoming shorter. Pupils may find themselves travelling to and from school in the hours of darkness over the coming months. Pupils and their parents are reminded that in order to maximise their safety on their journeys to and from school we would recommend:

- Where possible students walk/travel in pairs or groups to and from school.
- Walk down main roads/routes that are well lit. Avoid going through parks, alleys or other unlit or poorly lit areas.
- Ensure they are alert to the environment around them, avoid wearing headphones or being distracted by mobile phones and other devices.
- Students should have a set route to and from school that is discussed with parents and carers.
- Parents and carers have a personal safety conversation with their children. If they are concerned about their safety please call the police. Please take a look at the Walk Safe App, to see if this is something suitable for you and your family to use. The link for the app can be

found on our website:

Christmas Jumper Day – Thursday 11th December

On Thursday 11th December, all children are invited to wear their favourite Christmas jumper to school! We also respectfully request that each child brings the sum of £1 to school on this day, to help us raise as much money as possible for Water Aid, the School charity which we continue to support. We look forward to seeing lots of happy and excited children wearing their favourite Christmas jumper to school on this day and to helping this worthwhile charity make a difference to those in need! We thank you in advance for your generosity.

Road Safety and Traffic Congestion

We would like to say thank you to everyone for driving and parking safely when dropping off and picking your children up from school. We ask that, where possible, please avoid making any U-turns outside the front of the School. This is to minimise and ease congestion during peak times. There are roundabouts at either end of Wood End Green Road, which can be utilised to make any turns. Also, please try to avoid driving your cars on the pavements, as this is very unsafe for pedestrians. Thank you for your continued support and cooperation.

Recycle, Re-Use – School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved school uniform in order to reduce our carbon footprint. This is a great opportunity for our school to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's school to support our campaign for green initiatives whilst helping our families in need of support. Thank you for your support.

Healthy Pack Lunches

We would like to thank all our families who continue to provide their children with a healthy and nutritious packed lunch. Please be reminded that we are a healthy eating school and that the following items are not permitted in packed lunches:

- Nuts
- Chocolate/chocolate biscuits, sweets or doughnuts
- Large packets of crisps
- Fizzy drinks

Thank you for your continued support.

Christmas Performances

All Christmas Performances will be starting at 9:30am in the main hall. Please check the diary to see the dates of your child's Christmas Performance. These will be given out within the next week. Their class teacher will let you know if your child needs any additional clothing for their costumes.

Prams and Buggies

Special arrangements have been made to accommodate prams and buggies during the performances. They can be parked in the corridor opposite the small hall as there is not enough space for prams to be brought into the small or main hall.

Photography

We kindly ask everyone to be considerate and to remain seated during the children's performances, particularly when taking photographs so the view of others isn't obstructed. Thank you.
