Reading for Pleasure - Active Learn

As a school, we continue to promote a positive relationship with reading as reading gives the children the ability to access their learning. We aim for children to find enjoyment in reading and, encourage them to read for pleasure.

With this in mind, we continue to use Active Learn where the teachers regularly allocate books for each child to read. We would like all parents, guardians and carers to support their children and the School in our goal for every child to read for pleasure. Therefore, please do make sure that your child is accessing Active Learn at home and reading any books allocated to them as this is a fun and interactive way for children to access reading. If you are experiencing any problems with Active Learn, please contact the School Office.
