Number Day

A huge thank you to all the parents, guardians, carers and children who participated in NSPCC Number Day on Friday 6th February. We were so impressed by the enthusiasm and effort shown throughout the day. Thank you as well for your generous donations. We are delighted to share that we raised £130 for the NSPCC. Your continued support helps make a real difference!!

Festive Treats

Last week, our KS1 pupils added some sparkle to their classrooms by putting their Literacy learning into practice through the topic 'Understanding Instructions'. They combined their theoretical knowledge with practical skills, carefully following step-by-step instructions to create their own festive-themed cookies. This hands on activity was a fantastic way to bring learning to life while building their confidence and independence. The finished results looked amazing and we hope they tasted just as delicious as they looked!

What an achievement! Our young writers' poems have been published in a book, a proud moment for us and for all their parents, guardians and carers. Their creativity, imagination and hard work have truly paid off. Well done to every pupil involved in this fantastic accomplishment!

February Booster Club

On Monday 16th February, we invited some pupils to school to attend the February Booster session. The pupils were noticeably enthusiastic and eager to attend as they took part in activities forthwith which helped support and further their learning in areas such as Mathematics and English.

Big Walk and Wheel - Monday 16th March to Friday 27th March

As a school, we are continuing to promote and support road safety and sustainable travel. As part of this, we are taking part in the Big Walk and Wheel from Monday 16th March to Friday 27th March. During this time, we would like to encourage as many children as possible to walk, scoot, bike or cycle to school. Even if you live a bit further away from school, please consider using our walking map to park in one of the 10 minute zones and travel sustainably for the remaining 10 minutes.

The School will work together as whole to have as many children as possible travelling sustainably which could result in us winning prizes for the School and also compare ourselves with other schools in the borough and the rest of the country!

This is an exciting opportunity for our school community which will have a lasting positive impact! We would like to thank you all in advance for your support in this event.
