

## Tudor Toys Workshop

On Monday 2nd March, the Year 5 pupils took part in a Tudor Toys workshop which saw them make a woodpecker toy that moved down a thin pole. The pupils learnt about different aspects of Science, Engineering, Mathematics and Technology in order to create these toys. They all thoroughly enjoyed making their beautifully coloured individual woodpeckers and were very excited to show off their hard work to all their friends, parents, guardians and carers!

## Natural History Museum Trip

To consolidate their knowledge on topics related to their class-work, the Year 4 pupils visited The Natural History Museum. The museum is divided into four different zones, each offering a unique learning experience. In the Orange Zone, pupils learned about real science in the Darwin Centre and got close to a range of soft bodied specimens (fish, reptiles and amphibians). In the Blue Zone, pupils explored the skeletons of different animals. Pupils were amazed at the life-sized blue whale model. In the Green Zone, pupils walked beneath the skeleton of the largest animal on earth, a 120 million-year-old Mantellisaurus. In the Red Zone, pupils explored the evolution of life on our planet. Overall, the pupils have a fun-filled day of exploring.

### STIXX workshop

On Monday 2nd March, the Year 6 pupils took part in the STIXX workshop. With the exciting opportunity to create towers solely from recycled newspaper and cable ties, the children adopted innovative methods to construct a tower stable enough to stand freely with the least amount of newspaper rods. With many creative ideas blossoming, the children succeeded in building multiple stable towers by feeding rolled up newspaper through the STIXX machine, which turned the paper into solid poles! All of the pupils thoroughly enjoyed taking part in the workshop.

### Incredible Eggs – Tuesday 10th March

On Tuesday 10th March, we will be receiving an egg-citing delivery for the Reception and Nursery children, just in time for their return to school! The children will have the opportunity to watch ducklings hatch, learn how to care for them, understand their life cycle and watch them grow.

**Incredible Eggs**  
♥ Responsible ♥ Experienced ♥ Ethical

**Coming Soon!**  
A truly unforgettable  
10 day experience...

**We are going to hatch some ducklings!**

### Hillingdon Repair and Reuse Day - Saturday 7th March 2026

In support of Repair Week 2026 (2nd to 8th March), we invite you to join us for a free community event where you can learn practical skills to repair your clothes and get your bike or electrical items fixed—helping you save money and reduce waste. Explore a fantastic range of stalls celebrating community, sustainability, and the importance of keeping valuable items in use for longer. Enjoy complimentary refreshments while taking part in our quiz and children’s treasure hunt. The event will take place on Saturday 7 March 2026, from 11am to 2pm at The Great Barn, Manor Farm, Bury Street / Eastcote Road, Ruislip HA4 7SU.

Visit our website for more details: <https://www.therosedalehewensacademytrust.co.uk/news-and-events-1/latest-news/hillingdon-repair-and-reuse-day>

## Hillingdon Repair and Reuse Day

**Saturday 7 March 2026**  
**11 am to 2 pm**

**The Great Barn, Manor Farm, Bury Street / Eastcote Road, Ruislip HA4 7SU**

### Book Fair – Wednesday 21th to Thursday 12th March

The book fair will be arriving at school from Wednesday 11th to Thursday 12th March and will be open for children during school hours. All payments can be made online by clicking on the following link:

<https://bookfairs.scholastic.co.uk/pay> ]

You will need to enter the School’s postcode which is UB3 2SE and follow the instructions on screen. Thank you.

## Recycle, Re-Use – School Uniform

In order to tackle the rapidly growing global environmental challenges for a sustainable future, we aim to normalise the reusing of pre-loved school uniform in order to reduce our carbon footprint. This is a great opportunity for our school to embed environmental awareness within our school community, strengthen our green credentials and extend the lifespan of our uniforms whilst supporting a recycling culture.

Should you have any unwanted items of uniform in wearable condition, please donate these to your child's school to support our campaign for green initiatives whilst helping our families in need of support. Thank you for your support.

## Big Walk and Wheel - Monday 16th March to Friday 27th March

As a school, we are continuing to promote and support road safety and sustainable travel. As part of this, we are taking part in the Big Walk and Wheel from Monday 16th March to Friday 27th March. During this time, we would like to encourage as many children as possible to walk, scoot, bike or cycle to school. Even if you live a bit further away from school, please consider using our walking map to park in one of the 10 minute zones and travel sustainably for the remaining 10 minutes. The School will work together as a whole to have as many children as possible travelling sustainably which could result in us winning prizes for the School and also compare ourselves with other schools in the borough and the rest of the country! This is an exciting opportunity for our school community which will have a lasting positive impact! We would like to thank you all in advance for your support in this event.

## Easter Bonnet Making for Nursery and Reception

On Thursday 12th March, the parents, guardians and carers of the pupils in Nursery and Reception are invited to come and help make Easter Bonnets with the children. The sessions are as follows:

**Thursday 12th March: Lark and Sparrow, 9:00am to 10:00am in the main hall**

**Thursday 12th March: Owls and Robin, 2:00pm to 3:00pm in the main hall**

## Parkside Studio College Open Evening - 5pm to 7pm

Parkside Studio College will also be open on the same evening as the Year 8 Options Event next week. We invite prospective students and their families to join us on Tuesday 10th March 2026, from 5:00pm to 7:00pm, for an opportunity to tour the college, meet staff, and learn how our hands-on approach supports young people aged 13 to 19 in developing the skills and experience needed for future success. Visit the website below to book your spot:
