As we continue to promote positive use of technology to ensure the safety of all our pupils, we kindly advise all parents, guardians and carers to educate their children on the importance of making positive and informed choices whilst online. Please ensure you are maintaining open and regular conversations with your child about what they are doing online and who they are interacting with. Please visit (<https://nationalonlinesafety.com/training>) where you will have access to a number of safety guides for the appropriate use of social media platforms such as TikTok and Instagram, video conferencing software such as Microsoft Teams, and popular gaming consoles.
