

Firefighter Visit

The Nursery children had a very special visit from some Firefighters who are based at Hayes Fire Station. They arrived at our school in a big red Fire Engine and spoke to the children about how to stay safe and prevent fires from happening. They were also shown the protective uniform firefighters wear to keep them safe when putting out fires and even got to try on the uniform themselves! All the children thoroughly enjoyed their visit!

Breakfast

Year 6 pupils enjoyed breakfast together before their SATs exams each day from 11th May to 14th May. They had a great time socialising with their friends and felt ready and energised for their exams after breakfast.

Help Your Child Beat Exam Stress

Tests and exams can be a challenging time for children and young people, as well as for parents, guardians and carers. However, there are ways to help ease stress and support wellbeing. Please refer to NHS guidance below for helpful strategies on managing stress during this period. If you feel your child may need additional support, we encourage you to reach out to your school or college, where staff will be happy to provide further advice and assistance.

Support Available for Families During the Half Term Holiday

With the half-term holiday approaching, we would like to make parents, guardians, and carers aware of the support available for families who may be experiencing financial difficulties.

The Government's Crisis and Resilience Fund provides targeted support to residents facing financial hardship. In line with national guidance, this fund is not intended to offer universal holiday meal vouchers. Instead, support is provided on an individual basis through an application process, allowing families to share information about their specific circumstances. This ensures that assistance is directed to those most in need. Families who feel they may benefit from this support can apply directly, and any enquiries can be sent to CrisisandResilience@Hillingdon.gov.uk.

We would also like to remind families about the Holiday Activities and Food (HAF) Programme, which is available for children from Reception to Year 11 who are eligible for benefits-related free school meals. The programme runs during the Easter, summer, and winter holidays and offers a range of enriching activities alongside nutritious meals. The HAF programme is funded by the Department for Education (DfE). Further information, including eligibility details, can be found on the Hillingdon Council website.
