

## Legoland Trip – Year 1

On Friday 22nd May, Year 1 pupils went on a trip to Legoland, Windsor. All the pupils were extremely excited and couldn't wait to get on the coach! On arrival they went to the Legoland Driving School where they had great fun driving the model cars before visiting other areas of the park. The children also went on an adventure through Mini Land where they saw miniature Lego versions of the London Eye, Tower of London and many other famous landmarks. The children really enjoyed themselves and the weather was absolutely perfect! We would like to thank all parents, guardians and carers who attended this trip and helped throughout the day.

## Music Assembly

On Friday 15th May 2026, our pupils were thrilled to experience an epic musical assembly hosted by Rocksteady, a company that provides music lessons and band training for pupils, which can lead to gaining a Trinity Music qualification. The assembly was highly interactive, energetic and engaging from start to finish. Pupils had the opportunity to learn about different musical instruments, including the drums, keyboard, guitar and vocals, whilst discovering what it is like to perform as part of a real band. A number of children were invited to the front to participate in a live band experience, which created great excitement and enthusiasm throughout the hall.

The session encouraged confidence, teamwork, creativity and self-expression through music, whilst inspiring many pupils to explore their musical talents further. Pupils thoroughly enjoyed the experience and showed excellent enthusiasm and participation throughout the assembly. There are limited spaces available, so please book your child a place without delay.

## Online Safety

Online Safety is an important part of keeping children safe at Rosedale Primary. In an ever-changing world, ensuring pupils' safety online has never been more important. As we continue to promote positive use of technology to ensure the safety of all our pupils, we kindly advise all parents, guardians and carers to educate their children on the importance of making positive and informed choices whilst online. Please ensure you are maintaining open and regular conversations with your child about what they are doing online and who they are interacting with. Please visit (<https://nationalonlinesafety.com/training>) where you will have access to a number of safety guides for the appropriate use of social media platforms such as TikTok and Instagram, video conferencing software such as Microsoft Teams, and popular gaming consoles.
