

## Ruislip Lido Trip

Our Nursery trip to Ruislip Lido last week was a great success! The children had a wonderful day filled with excitement and adventure. They thoroughly enjoyed riding the miniature train, taking in the beautiful scenery, playing on the beach and having fun on the swings. The trip provided a fantastic opportunity for the children to explore the outdoors, build friendships and create lasting memories. Smiles and laughter were seen throughout the day, making it a truly special experience for everyone.

We would also like to extend our sincere thanks to our parent helpers for their support and assistance, which helped make the trip such a success.

## Year 1 and 2 Sports Day

On Friday 5th June, our Year 1 and 2 pupils took part in their much-anticipated Sports Day. Excitement was high as the children enthusiastically participated in a range of activities, including the egg-and-spoon race, penalty shoot-out, obstacle course and various track events. Working together in their tube station teams, the pupils demonstrated determination, teamwork and skill throughout the morning. They also showed excellent sportsmanship, celebrating one another's achievements and encouraging their teammates every step of the way.

A special thank you to the Rosedale College Physical Education (PE) Alliance for organising such a varied, engaging and well-run event. It was a fantastic morning enjoyed by all.

## Radiographer Visit

As part of their learning about people who help us, EYFS children enjoyed a special visit from a radiographer. The children were fascinated to learn about her role in helping patients and finding out what happens during an X-ray. They asked thoughtful questions and enjoyed exploring the equipment and information she shared. It was a fun and engaging experience that inspired curiosity and learning.

## Summer Reading Challenge!

The Summer Reading Challenge, run by The Reading Agency in partnership with local libraries, returns from 4th July 2026 with this year's theme, Read to the Beat. This free, national initiative encourages children to keep reading over the summer holidays, helping to build confidence, creativity and a lifelong love of books. Children can sign up at their local library or online, choose their own books, and collect rewards along the way, with certificates or medals awarded on completion.

Designed to be fun for the whole family, the challenge celebrates the joy of music and storytelling while supporting reading development outside of the classroom. With 95% of participants saying they read more after taking part, it's a great way to keep children engaged with reading during the break. Families can visit their local library together or find out more at

[summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk)

The poster features a blue background with a pink gradient at the bottom. At the top left, there is a logo for 'THE READING AGENCY' and a logo for 'UNIVERSAL MUSIC GROUP'. The main title 'READ to the BEAT' is in large, stylized letters. Below the title, the text reads: 'Help Your Child Discover the Joy of Reading This Summer!'. A paragraph follows: 'This summer, give your child the chance to fall in love with reading! The Summer Reading Challenge, created by The Reading Agency and delivered in partnership with public libraries, is a FREE, fun-packed way to keep kids reading and learning all summer long.' Another paragraph states: 'This year's theme, Read to the Beat, and is powered by Universal Music Group UK. The Challenge will celebrate the joy of music and the power it has to move, inspire, and connect us - all through the magic of reading. The Challenge is being brought to life with illustrations by award-winning author and illustrator, Harry Woodgate.' A section titled 'Why join?' lists several bullet points: 'It's FREE! Available at local libraries and online', 'Inspires a lifelong love of reading', 'Boosts confidence, creativity, and imagination', 'Earn rewards, certificates, and prizes', 'Fun for the whole family. Visit your local library together', '95% of children said they read more after joining!', and 'Children choose their own books to read, collect rewards over the summer and receive a certificate or medal when they complete the challenge.' An illustration of a black and white dog sitting and reading a book is positioned to the right of the 'Why join?' section. At the bottom, a dark blue banner contains the text: 'Visit your local library or go online at [summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk) to get started from 4 July 2026.' Below the banner, it says 'Help your child start their reading adventure today!' and a small logo of a book is on the left. At the very bottom, there is a small copyright notice: 'Illustrations © Harry Woodgate 2026. Read to the Beat © The Reading Agency 2026, registered charity number 1085443 England and Wales.'

## Safeguarding Our Children

Please can all parents, guardians and carers be mindful of the safeguarding aspects for drop off and collection times. It has been noted that children are being left unattended during these times at the School entrance. Please ensure you keep your child/ children with you at all times when outside the School playgrounds to avoid any incidents.

## School Drop Off & Pick Up Safety – Important Information from Hillingdon Council

We have received updated guidance from the STaRS Team at Hillingdon Council regarding safe behaviour during school drop off and pick up times. The council has highlighted ongoing concerns about unsafe parking, congestion, and road safety around schools, and is asking all families to help create a safer, calmer environment for children and the wider community.

To support this, the STaRS Team has provided a detailed School Drop Off & Pick Up Safety Information Guide, which outlines important reminders about responsible driving, safe crossing points, and following road markings such as yellow zig zags and double yellow lines.

### Absence Reporting

In the event of your child being unable to attend school due to illness, medical appointments or under any other circumstances, please contact the School Office on 020 8573 7103 or at [rosedaleprimary@trhat.org](mailto:rosedaleprimary@trhat.org). In order for the School to ensure that all pupils are properly safeguarded, it is important for you to follow this procedure for every day your child is absent.

The only exception to this is for extended periods of illness where the period of absence is explained in a note from your child's doctor or hospital. The School is required to account for all absences so please ensure your child brings a letter that verifies the reasons for their absence on their return to school. Thank you.
