

Early Years Children

Our new Nursery and Reception children have had a fantastic first full week at Primary School! They have been so excited to meet their teachers and make new friends after the long summer break. We are incredibly proud of their enthusiasm, confidence and resilience, and it has been wonderful to see how quickly they have settled into their new classes. Well done, Early Years!

Universal Free School Meals

We are delighted to announce that all children from Reception to Year 6 will continue to access school lunches free of charge. The funding for this venture will be provided by the Office of the Mayor of London.

Bikeability Interest

In September the new Year 6 pupils will be given the opportunity to take part in the Bikeability training which helps to improve the understanding and safety of children using their bikes out in public spaces, in particularly on the road. If you would like your child to take part in the training, please can you register your interest by following the link

Make-Believe Encore Performing Arts After-School Programme

We are exploring the possibility of introducing the Make-Believe Encore Performing Arts After-School Programme in our school. Encore brings drama, dance and singing directly into the school, with children working towards a performance at the end of the 12-week programme.

Before we can move forward, we need to gauge interest. Make Believe has advised that a minimum of 15 students per programme is required for this to run, so it is important that we understand whether there is sufficient demand across our school community.

Please be informed that the deadline to submit the form is Friday 18th September 2026. .

The form is simply to register interest at this stage and will help us determine whether the programme would be viable within our school. Thank you.
