Bikeability Training

From Monday 19th to Thursday 22nd October, a group of Year 6 pupils had a real sense of excited achievement as they completed their Bikeability course, which is a bike training scheme provided by the London Borough of Hillingdon. They began by learning some basic road safety skills before riding on the roads under strict supervision, around Hayes. At the end of the week, the instructors commented on the excellent behaviour of all the children who attended the course and the progress they all made. Congratulations to all the children who took part.

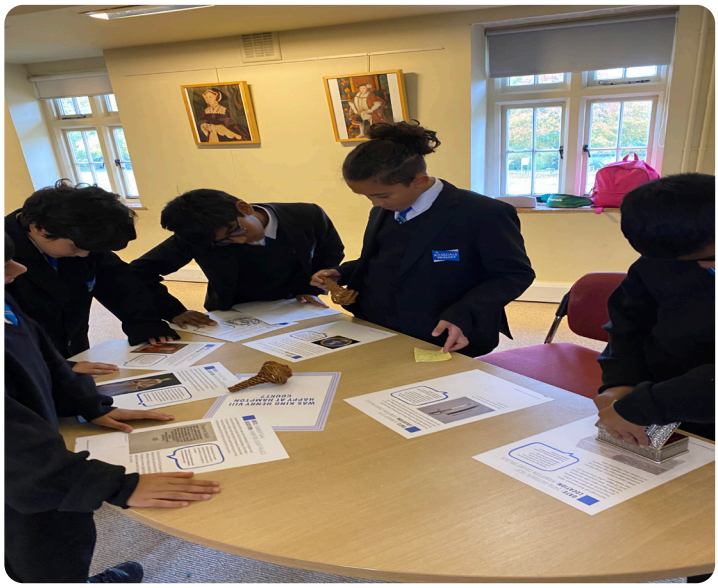

Hampton Court Trip

On Friday 23rd October, the Year 5 pupils visited Hampton Court Palace. The pupils toured and explored the Palace, learning about the many different Kings and Queens that lived there. They also took part in the Inventors Workshop in which they discovered different inventions that not only made the Palace an impressive place but also how they made day to day life much easier. Despite the chilly weather all the children had a really good day and enjoyed every minute!

Christmas Performances

All Christmas Performances will be starting at 9:30am in the main hall. Please check the diary to see the dates of your child's Christmas Performance. These will be given out within the next week. Their class teacher will let you know if your child needs any additional clothing for their costumes.

Prams and Buggies

Special arrangements have been made to accommodate prams and buggies during the performances. They can be parked in the corridor opposite the small hall as there is not enough space for prams to be brought into the small or main hall.

Photography

We kindly ask everyone to be considerate and to remain seated during the children's performances, particularly when taking photographs so the view of others isn't obstructed. Thank you.

Wednesday 2nd December Year 6
Friday 4th December Year 5
Monday 7th December Year 4
Wednesday 9th December Year 3
Friday 11th December Year 2
Monday 14th December Year 1
Tuesday 15th December Reception

Primary School Admissions 2026

We would like to inform all parents, guardians and carers of children born between 1st September 2022 and 31st August 2023 that the closing date for applications for Primary School places to be received by the London Borough of Hillingdon is 15th January 2027.

To ensure your application arrives on time and in order to give your child the best possible chance of being offered the school of your choice, we would advise that you submit your applications prior to the Christmas holiday period. Further information can be found on

(www.hillingdon.gov.uk/ primary).

You will receive information with regard to applying for your child starting primary school shortly via email.

Asthma Advisory Notice

The Hillingdon Champions of Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler regularly every day, even if well. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

		Flu Vaccination - Second Visit
Monday 14th	9:30am	Christmas Performance - Year 1
Tuesday 15th	9:30am	Christmas Performance - Reception
Friday 18th		Early Dismissals

E-Scooters

We would like to remind families that privately owned e-scooters are illegal to ride on public roads, pavements or cycle paths in the UK. This includes journeys to and from school. We have become aware of children using e-scooters, and we would therefore ask parents, guardians and carers to speak with their children about the legal and safety implications of using them. Please note that e-scooters should not be ridden to or from school, and pupils should not use them on the public highway or pavements. Thank you for your continued support and cooperation.

Notice to Parents – Safety Reminder

We kindly request all parents, guardians and carers to avoid driving on the sidewalk adjacent to the school and to refrain from performing three-point turns in front of the school gate. These actions create safety hazards for our pupils, staff, and other pedestrians. For the safety of everyone, please use designated parking areas and drive with caution in the vicinity of the school. Let's work together to keep our school environment safe and secure. We thank you in advance for your cooperation in this matter.
