

Science Practical

Year 4 students had the opportunity to use a range of electrical components to build simple electric circuits in our practical session. They used - battery, wire attached with crocodile clips, light bulb, buzzer, motor and switch. Accepting the challenge, they also built series circuits to demonstrate their deeper understanding of the topic. Children used different materials to test whether they are conductors or insulators of electricity. They successfully built small fans using batteries, wires, motors and paper as the blades of their fans.

Children In Need

On Friday 18th November, the children at Rosedale Primary School played a huge part in helping to raise money and support thousands of children in local communities across the UK for Children in Need. The children's charitable contribution involved them raising awareness by attending school donning spotty items just like Pudsey! There were various activities taking place throughout the day with Reception children baking enticing cookies and adorning them with Pudsey spots, and Nursery children designing their own Pudsey masks!

The Nursery children were asked what they could do to help Children in Need and some of the responses included "I am going to feed them", "take them to the doctor", "give them water" and "I am going to dance with them". To see even our youngest children displaying altruistic behaviours, supporting all those around us is truly commendable!

We would like to thank you all for your kind donations. This year, we raised a total of **£120** for Children in Need.

Christmas Performances

All Christmas Performances will be starting at 9:30am in the main hall. Please check the diary to see the dates of your child's Christmas Performance. Due to limited capacity, we are only able to accommodate one audience member per child. Each child will be allocated one ticket with assigned seat numbers. These will be given out within the next week.

Their class teacher will let you know if your child needs any additional clothing for their costumes.

Prams And Buggies

Special arrangements have been made to accommodate prams and buggies during the performances. They can be parked in the corridor opposite the small hall as there is not enough space for prams to be brought into the small or main hall.

Photography

We kindly ask everyone to be considerate and to remain seated during the children's performances, particularly when taking photographs so the view of others isn't obstructed. All performances will be recorded and DVDs will be available to purchase in the Spring Term. Thank you

Safeguarding our Children

Please can all parents, guardians and carers be mindful of the safeguarding aspects for drop off and collection times. Please ensure you keep your child/ children with you at all times when outside the School courtyard to avoid any incidents.

Christmas Jumper Day – Thursday 8th December

On Thursday 8th December, all the children are invited to wear their favourite Christmas jumper to school! We also respectfully request that each child brings the sum of 50p to school on this day, to help us raise as much money as possible for Water Aid, the School charity which we continue to support. We look forward to seeing lots of happy and excited children wearing their favourite Christmas jumper to school on this day and to helping this worthwhile charity make a difference to those in need! We thank you in advance for your generosity.
