

3D Solar System Model:

Year 5 children excitedly engaged in their Design and Technology session by creating a 3D model of the solar system. The solar system is the Science theme for Autumn 1. The 3D models made by the children used to reinforce the children for the conceptual understanding of the solar system and give them an opportunity to demonstrate their understanding of the concept while using their creative artistic skills.

Bikeability - Year 6

On the last two Fridays in November, a group of Year 6 children had a real sense of excited achievement as they completed their two sessions of the 'Bikeability' course – a bike-training scheme provided by the London Borough of Hillingdon. Despite the challenging weather conditions, they began their training by learning some basic road safety skills before riding on the roads under strict supervision around Hayes.

Year 1 Cup Cake Workshop – 25th November

Christmas Jumper Day – Thursday 8th December

On Thursday 8th December, all the children are invited to wear their favourite Christmas jumper to school! We also respectfully request that each child brings the sum of 50p to school on this day, to help us raise as much money as possible for Water Aid, the School charity which we continue to support. We look forward to seeing lots of happy and excited children wearing their favourite Christmas jumper to school on this day and to helping this worthwhile charity make a difference to those in need! We thank you in advance for your generosity.
