

Science Light and Reflection Investigation

Year 6 pupils engaged in a science experiment to create a working periscope and explain how the periscope allows them to see objects they would not usually be able to see. Children enjoyed the investigation and were able to discuss and share their findings and record these using diagrams and scientific language.

National Bullying Prevention Month

National Bullying Prevention Month is a month-long event to prevent childhood bullying and promote kindness, acceptance and inclusion. At Rosedale Primary School, we all have a role to play whether we are children, parents, guardians or carers, teachers or school administrators. Positive change comes as we begin to emphasise respect and inclusion in our school and community. This month, try to reach out to a classmate, especially those who appear to be struggling. Children will not only learn about the different forms of bullying, but also how to report it when they see it in order to prevent others from suffering in silence. Talk to your child about bullying and please report all concerning disclosures to the Headteacher.

Physical Education (PE)

Please be advised that pupils should arrive at school in their Physical Education (PE) kits on the day of their PE lesson; they will remain in their PE kits for the whole day and thus are not required to bring in their school uniforms.

- Year 2 Mondays and Fridays

Hello Yellow, Supporting Young Minds - Monday 10th October

On Monday 10th October, we will be supporting Young Minds by wearing a yellow item to school such as a hair band, scarf, wrist band or tie. Children still need to come to school in their full and correct uniform. If your child would like to come in wearing something yellow, we would ask that you donate 50p which should be handed into the school office. Thank you for your support and help in supporting this charity!
