

Compass Workshop

On Friday 10th June, Year 6 engaged in a Compass Workshop spearheaded by a teacher and students from Hewens College. The children used compasses to solve complex GCSE questions involving angle bisectors. They all showed great enthusiasm and determination in solving all the problems, and are certainly on their way to being ready for secondary school!

Free Guided Cycle Rides

The London Borough of Hillingdon have organised free guided cycle rides this summer, designed to allow you to ride at your own pace, increase heart rate and improve well-being. The ride leaders are employees of Hillingdon Council and are keen cyclists who have been trained to guide groups of people.

Upcoming rides include family cycle rides, medium cycle rides and medium-long cycle rides; all routes will be fun, safe and interesting with the distance, duration and terrain of the ride varying according to the type of ride. For more information about the available dates and to book your place, please visit (<https://www.hillingdon.gov.uk/article/5202/Guided-cycle-rides>).
